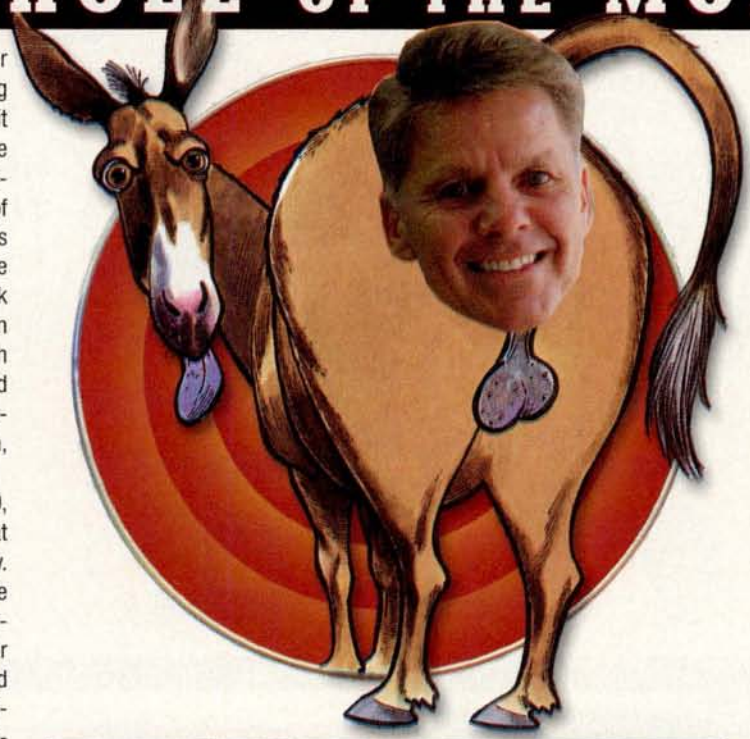
Bits & Pieces

ASSHOLE OF THE MONTH



GARY CONDIT

Some turd shooters trumpet their coming dumps with a warning blast. Shiftier rectums let their shit slither in quietude. Representative Gary "silent but deadly" Condit (D-California), HUSTLER's Asshole of the Month for November 2001, is one stealthy crap hatch, but despite the Asshole's worst efforts to sneak a crap and go, the nation's attention has been drawn to the rotten stench emanating from the 53-year-old Congressman's relationship to disappeared 24-year-old Washington, D.C., intern Chandra Levy.

Levy went missing on April 30, leaving no traces; the chances that she'll be found alive decrease daily. Taciturn to the point of negligent, the married Condit, presumably embarrassed over an extramarital affair with Levy, has shamefully withheld information from the investigation into her disappearance. Condit's adulterous fling is the least of his crimes.

Condit represents California's 18th district, an agricultural region that includes Modesto, Levy's hometown. Farmland governance seems to have inured the legislator to horseshit, judging from his sniffy lack of cooperation since Levy fell off the face of the earth.

Condit first failed the smell test when it was reported that Levy, whom he calls "a great person and good friend," had placed about 20 calls to Condit in the month before her disappearance; several of the contacts were made just prior to her vanishing. The calls might have offered crucial insight into Levy's disappearance; thanks to Condit's chickenshit silence, the potential clues remained a secret for almost a month, until Levy's parents obtained their missing daughter's phone records.

Conscience should have prodded Condit to be more forthcoming after this blunder. Greasy Gary took the opposite tack. In the ensuing weeks, the slippery turd dodged police requests to question him. His public comments primarily consisted of written statements denying a romantic tie to Levy. As Chandra's heartsick parents dug for answers, Condit dug deeper into the latrine of evasion. Apparently trying to bully his way out of suspicion, Condit summoned police to disperse TV crews outside his office and hired lawyer Joseph Cotchett to threaten news outlets with libel suits for reporting the story of a Condit-Levy alliance. Even his mouthpiece is sick of Condit's shirking. "I told him flatly, 'You are a public figure, and have to respond accordingly to the press,'" says Cotchett, who has considered dropping his client.

When Condit finally met with police on June 23, he painted his "good friend" as a borderline stalker, claiming that, two days before Levy's disappearance, he broke off their "close friendship" because she was moving back to California. Subsequently, Condit theorized, Levy became "obsessed" with him.

Sleazy character assassination of a woman who for all he knows has been raped and murdered is shitty enough, but Condit's explanation, which he later admitted was bullshit, has a reek of its own. Who dumps a close friend because she is relocating—to an area you frequently have business in?

Take a whiff and gag at Condit's self-portrayal as the aggrieved party in Chandra Levy's disappearance. Ignoring his own malodorous behavior, Condit pooh-poohs media coverage of his connection to Levy, breaking his purse-lipped pout to decry "the tabloidization of these terrible circumstances."

Condit hasn't always shunned sensationalism. Rallying for Bill Clinton's impeachment, he urged a public airing of the Lewinsky affair's every cum-stained detail. "Only when we strip away the cloak of secrecy and lay the facts on the table can we begin to resolve this matter," Condit blustered. "We owe the American people an honest evaluation of the facts."

Though the American people have called for Condit's honesty, the Congressman has abandoned his revelatory zeal. Condit's newfound distaste for laying facts on the table is evidenced by the testimony of Seattle flight attendant Anne Marie Smith, who told the FBI that she'd had a yearlong affair with Condit. According to Smith, Condit asked her to sign a declaration denying the relationship, noting that the infidelity "could be personally embarrassing for both of us."

Condit doesn't need a stray pussy to embarrass him; his disgrace came when he kept his lips sealed, but let his Asshole do the talking.

FARTS IN THE WIND

Joseph Ellis: Ellis, a Pulitzer-winning historian at Massachusetts' Mount Holyoke College, recently admitted that, contradictory to his public claims, he'd never fought in Vietnam. Caught in his deliberate falsehoods, Ellis quibbled, "Even in the best of lives, mistakes are made." Best of lives? Mistakes? In trying to gild his imposture as a war veteran by further masquerading as a well-meaning fuckup, Ellis verifies his true identity as a rank Asshole.

O. J. Simpson: Father of the Year candidate Simpson recently sat down with the *New Yorker* to discuss his feelings for 15-year-old daughter Sydney, whom he sired with slain ex-wife Nicole. "She's her mom all over again," gushed the proud papa. "Her grandmother, my wife, now my daughter. Those bitches'll wear you out." Disparaging a grieving mother, a murdered woman and an orphaned child in one swoop—a triple crown of turds for a perpetual Asshole.

As evidenced by the photo above, early tests of the prototype strap-on were well received. Still, while many Victorian housewives were thrilled by the advanced technology, the dildo and harness did not enter mainstream America until plastics replaced raw wood as a source material.

Phoenix Rising

I've been enjoying the gorgeous babes of HUSTLER for years, but Phoenix (Phoenix: Piddle Miss Perfect) from the August 2001 issue of HUSTLER is my favorite. Her perfect tits, sultry blue eyes and sumptuous cunt lips drive me crazy. It was the shot of Phoenix pissing that compelled me to write this letter. Those pee shots are fucking hot. Keep up the great work. —S. M.
Carson, California

Tatiana Is Phat

I love all of HUSTLER's Honeys, but the endless stream of thin-as-a-rail models is starting to become a little tedious. That's why I'm writing in support of Tatiana (Tatiana and Joel: Jersey Girl, August 2001 HUSTLER). It's refreshing to see a girl with a little meat on her bones. I'm sure that some hypercritical dicks probably call the full-figured babe chubby, but I think she's perfect. Just take a look at her pendulous breasts wrapped around Joel's boner and tell me I'm wrong. —C. M.
Jacksonville, Florida

Thanks for the support, but you've really fucked us over, C. M. The incessant ring of, "Do I look fat today?" was almost totally squelched around the HUSTLER offices until your letter came in. Now the self-doubt is back with a vengeance, and we'll be forced to pump Tatiana's self-esteem back up through a vigorous regimen of tit-fucking. Thanks.

Hey, Judith

I've always been completely secure and satisfied with my manhood, but after seeing Judith (Jasmine and Judith: Womb Service, August 2001 HUSTLER), the thought of becoming a woman crossed my mind. More specifically, I wished that I could have been Jasmine and felt the steamy slickness of Judith's cunt as my fingers slid between her lips. This is all hypothetical; so don't go thinking anything crazy. Anyway, thanks for showing me the exquisite beauty of Judith. —W. B.
Gallup, New Mexico

No need to go to extremes, W. B. Judith appears in the XXX feature *Happy Birthday* from HUSTLER Video. Save the money you'd spend on a sex change by calling (877) 325-6464 and picking up the tape or DVD. You'll find that Judith is really, really into guys.

Fascinated by Privates

My boss always told me that I should read the articles in HUSTLER. I always thought that he was just making a sexist excuse for keeping a stack of smut in his office. Then I read The Military Misadventures of Private Asshole (August 2001 HUSTLER) and saw the light. The story was awesome. I'm dying to know what happens next. —M. P.

Full Metal Jackass

The article The Military Misadventures of Private Asshole is funny and very entertaining. I've always wondered what it must be like to just say, "Fuck it." This insane story showed me what a life of acting on whims must be like. I suppose the rush of excitement a character like this feels when he's fucking up must make all the backlash worth it. —E. B.
via Internet

The word on the street is that David Guyer's memoirs were written after his release from the clink. Take that as either a happy ending or a great reason to invest in another set of dead bolts. Sadly, the book from which the story was excerpted has yet to see publication. We can't wait to see how Private Asshole spends his advance.

HUSTLER is the best. I love the girl/girl and boy/girl layouts, but have a real soft spot for Beaver Hunt. I know this issue is a tiny bit dusty, but Heather of Dallas, Texas, in the February 2001 HUSTLER should definitely be picked as a finalist. —J. M.

"The idea of fucking an animal really turns me on. Thanks for broaching this subject so I don't have to feel so ashamed about my fetish."

(continued from page 18) crabs? It's not for us; it's for a friend.

Hairy Commentary

You asked for public input on the subject of "Trimmed Quim," and I can't pass up the opportunity to share my thoughts. For me, a thick thatch of feminine pubic hair has always been exciting. That's why so many of today's nude models disappoint me. I prefer the recent layouts Veronica's Hypospermia (July 2001 HUSTLER) and Elizabeth Learns How to Act (May 2001 HUSTLER), in which the beautiful Honeys are proud of their soft cunt hair. This is the way that pussy is supposed to be. As far as I'm concerned, any man who prefers seeing a woman's snatch without the surrounding bush has a serious problem. The term pedophile comes to mind. —D. H.
Chadron, Nebraska

Animal Urges

I love your magazine. For some time I've been hiding a little secret that I've felt uncomfortable talking about until now. The idea of fucking an animal really turns me on. That's why I can't wait to read Animal Attractions, your story about bestiality in the forthcoming September HUSTLER. Thanks a ton for broaching this subject so I don't have to feel so ashamed about my fetish. —A. S.

Cut the Slurs

I wish you people would stop printing those stupid-assed racist jokes and cartoons. They're not funny and don't enhance your magazine. —R. C.

Gross Anatomy

Back in the early '70s, you published a photo of the diseased lungs of a cigarette smoker. This is a belated thanks to you, since those photos put an end to my smoking habit. I suspect that my teenage son is now smoking, and I would love to put a framed photo of a black, tumor-filled lung outside his bedroom door. I am already indebted to you for my good health, but I ask one more favor: Is there any way for me to snag a copy of the issue with the pictures that saved my life? —M. S.
via Internet

The antismoking PSA *Smoking Can Eat Your Lungs Alive* appears on the back cover of the February 1976 HUSTLER. In the similar scared-straight spirit, check out the grotesque photos in *HUSTLER's Guide to VD* (December 1976). Call (323) 651-2348 to order back issues.

Boner Phobic

I spend a ton of money on porn videos and magazines. My biggest pet peeve is that there are too many men in smut. I know that everyone is pleased as punch that HUSTLER has so much hard-core, but there's nothing worse than stroking off and being confronted with some other dude's cock, balls or ass. I know that you, and everyone else in the porn industry, will never realize my dream of a world free of men in porn, but could you give a guy a break? Be careful when putting male genitals in your magazine. I'm not a fag, and don't want to inadvertently blow a wad while looking at rod. —L. B.
Bishopsville, South Carolina

We agree that the preponderance of man-butt in porn, particularly in gang-bangs and *bukkake*, is quite troublesome. Your fear of tools is a bit excessive though. Well-shot boy/girl sets (such as those found in every issue of HUSTLER) that focus on the girl being fucked and not the hired meat are always stimulating to the healthy hetero.

Dear Slut

Cum Cream

What's the deal with vaginal orgasm creams? Some manufacturers claim that they're the female equivalent of Viagra. Do they really contain drugs that aid orgasms, or are they a scam?
—V. S.
Alexander City, Alabama

I wouldn't call these creams a scam, but you'd be right in assuming that they don't contain an actual pharmaceutical drug. The active ingredient in many sex creams is menthol, which increases capillary activity and makes the areas of application (in this case, the clit) more sensitive and responsive to stimulation. Since Viagra has been such a boon to the sex lives of so many men and women lately, it's not surprising to find businesses of varying honesty hijacking the brand name for their own advertising uses. It's wise to regard these comparisons with a healthy dose of cynicism.

Three Strikes

I'm a 37-year-old virgin. I have no problem popping a boner to porn, but with a woman, my noodle turns limp and useless. I'm pretty sure I have performance anxiety. I've had the opportunity to screw three times in the past eight years and have failed every time. I know that I'm not gay, but I can't seem to get over this hump. What can I do to conquer my problem? —C. W.
via Internet

The best way to overcome performance anxiety is to form a comfortable relationship with your fuckmate. One-night stands and paid sessions with sex professionals tend to put undue pressure on inexperienced pricks. Ask yourself what you hope to gain from sex. If your sole intention is to bust a nut, then masturbation is all you need. Screwing without strings has its place, but healthy bonds are always the best medicine for flagging boners.

AWOL Wife

During my days in the military, I had the pleasure of fucking many a prostitute, despite the fact that I was married. I know that it's a double standard, but I felt secure in the fact that my wife would remain faithful to me, because she is a good Christian woman. I learned my lesson when I came home to find her fucking a petty officer. Needless to say, I was shocked to the point of considering suicide. I've since left the military and am currently trying to patch things up with my woman. Jeanna, do you have any pointers for an adulterous hubby on the mend? —D. R.
Kansas City, Kansas

These kinds of wounds run deep, and revenge fucks usually cut to the quick. Trust is very hard to earn back. As a military man, you understand the kind of hard work and team effort it takes to attain a goal. Knowing that it's nearly impossible to take a hill alone, recruit the aid of a marriage counselor or a priest to help you patch up your tattered union. If your wife is important to you, you'll make any sacrifice to win her back.

Orgasm Addicts?

I'm in my late 20s and just lucked into a killer relationship. The sex is hot, frequent and very casual. I've noticed that my desire to masturbate hasn't waned, even though I bust a nut with my new woman every other night. I've come to learn that she also pleasures herself. I always thought that a good sex life killed the desire to whack off. Are we a couple of insatiable sex freaks, or is loner boning natural behavior for a couple of sexually healthy adults? —P. Q.
Grapevine, Texas

The idea that sexual activity kills the masturbatory urge is a twisted Puritan fairy tale. Masturbation is one of God's greatest gifts to mankind. Combining self-pleasure and imagination is the perfect way to have a harmless, disease-free affair, cook up new treats for the bedroom or just kill time before dinner. I look at solo stimulation as rehearsal for sessions with my mate. Knowing your own body makes you a better lover and a happier, healthier person.

Hard-on and Maude

I'm a 20-year-old college student and have been developing an amazing, but unconventional, relationship with a 65-year-old woman. I love her very much, and see us gradually moving toward sex. I'm not inexperienced, but I am a little nervous about the mechanics of sex with an older woman. She's well into menopause and, thanks to a hysterectomy, hasn't had a uterus since before I was born. Is there anything I should know about pleasuring senior-citizen pussy? —D. L.
Hilo, Hawaii

Hold onto your hat, my friend, and ditch the stereotypes. Older women are notorious for being sexually insatiable. I think that you'll find that your aged bedmate will be able to teach you more than you could glean from a year's worth of my column. Because of the onset of menopause and/or her surgery, additional lubrication may be necessary, but otherwise, prepare yourself *(continued on page 41)*

"The only way for me to come is with a hook-shaped dildo. I can't figure out how to apply this knowledge to my sex life."

(continued from page 30) for an unforgettable adventure that you'll remember fondly well into your own old age.

Bring 'Em Young

When my wife left me, I was both shattered and relieved. Now, at 50, I'm back on the prowl and have discovered a fetish for young (but legal) women. I can't get enough of BARELY LEGAL-type videos. Part of me feels disgusted, since my daughter is older than many of the girls I jack off to, but another part of me feels driven to taste the sweet nectar of youth. If I screw a legal-teen babe, will I forever be haunted by guilt, or should I just go for the gusto? —F. Y.

La Puente, California

Since you're divorced, there's no harm in courting legal, consenting teens. There are plenty of young chicks out there who are attracted to older, professor-type men. You've been out of the game for a while; so I'll remind you that using the proper protection (that'd be condoms, old-timer) is vital. Another word of caution: Young girls are impressionable and may be prone to infatuation, just as a smitten codger could easily become a mark for a legal-teen gold digger.

Crooked Tools

It took some time, but I've discovered that the only way for me to come is with a hook-shaped dildo called the Boomerang. It reaches inside and strokes the exact spot just right. I've experienced my first orgasm but can't figure out how to apply this knowledge to my sex life. I don't think I'll ever find a guy with a hooked dick. Any suggestions? —C. I.

Towson, Maryland

I've run across men endowed with joints that veer in every direction imaginable, sometimes to mind-boggling degrees. Curved or not, positioning means everything when it comes to vaginal orgasms. Riding cowgirl or doggy-style generally offers the best access to the G spot. For every hole, there's a peg that fits. If you're searching for the perfect orgasm, make it your life's work to find the wood that will work for you.

Lip Grease vs. Lube

Does lubing up with spit really work? Every once in a while I dribble some saliva onto my prick, but I'm not sure if that little bit of moistness is really of significant help. The difference between a gob of Astroglide and a mouthful of drool is astronomical, right? —D. K.

Peekskill, New York

Spit works for a short time, but tends to dry up or be absorbed by the cunt. The best natural lubrication comes from licking the pussy before sticking it. If you're looking for maximum slickness, I recommend purchasing a top-notch lube such as Wet. That said, the aesthetic appeal of hawking a nasty glob of saliva onto your prick before parting labe is difficult to duplicate with a tube of store-bought goo.

One to Grow On

I have a serious problem. I have a growth near my private parts. It's the size of an egg, and I feel no pain. Could you please explain my problem? —S. E.

via Internet

Your gravest problem appears to be an aversion to doctors, compounded by a lack of common sense. It's crucial that you see a physician immediately. Never feel embarrassed to talk to a doctor—they've seen it all before. I'm honored that you respect my opinion, but when it comes to matters of health, consulting a professional is the only way to go.

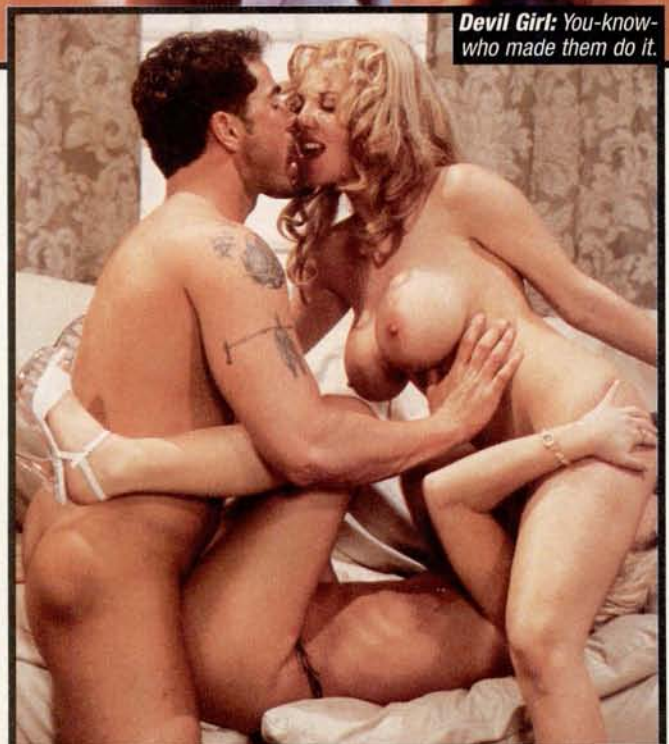
Devil Girl: *"Did you just call me a succubus?"*

Devil Girl: *Brianna Banks fights evil with lust.*



Devil Girl: *You-know-who made them do it.*

Devil Girl

Directed by Jerome Tanner.
Starring Brianna Banks, Jewel De'Nyle, Claudia Adkins, Kiki Daire, Summer Storm, Toni James, Evan Stone, Mark Davis, Dale D'Bone and Bobby Vitale.
Videocassette: Legend Video.

Brianna Banks sucks Satan's cock, swallows his unholy goo and becomes *Devil Girl*, an oversexed supernatural vigilante on a mission to save Los Angeles from horny devil worshipers. Dale D'Bone is a wannabe Antichrist who keeps fouling up the Dark Lord's plan for world domination by fucking the population's sacrificial virgins. In the flick's opener, Dale unties Claudia Adkins and shoves his fleshy pitchfork into her gob. The evil fuck pops the lamb's cherry, then concentrates on her chaste colon, screwing away every ounce of the hapless babe's purity. Almost every scene in this goofy XXX narrative portrays a glorious deflowering. Jewel De'Nyle, a virgin reporter hoping to scoop Devil Girl's story, is plundered by Old Scratch himself. De'Nyle tries to ingest his evil semen, but is forced to upchuck the evil wad into Banks's hungry mouth. *Devil Girl* is sinfully good smut. **—Nicholas Veridian**

How Hypnosis Made Anita Cannibal's Anal Debut a Snap

"Look into my browneye."

Before shooting her first-ever anal scene, starlet Anita Cannibal didn't just lube up—she was hypnotized by Vegas showman Rob Seven. *Erotic Entertainment* had lunch with Anita and grilled the mesmerizing sex star about the experience, which is documented in *Come Under My Spell #2* (Arrow Productions).

***HUSTLER:* Were you nervous about doing your first anal scene?**

ANITA CANNIBAL: Hell, yeah.

***HUSTLER:* What worried you the most?**

CANNIBAL: I'd been hypnotized on stage before—you know, at comedy shows and stuff—and it didn't work. So I was a little worried about that.

***HUSTLER:* You weren't concerned that they'd convince you to take $200 less for your scene?**

CANNIBAL: I was worried that I would just tune out. I was worried that I was gonna not be there.

***HUSTLER:* Like a sex zombie.**

CANNIBAL: Yeah. It felt like the fear was based in putting myself in harm's way, I think.

***HUSTLER:* So Rob Seven starts to hypnotize you. Did swirly patterns come out of his eyeballs?**

CANNIBAL: No, he swings his dick. It's 12 inches long, and he's got this little ball at the end of it, and he says, "Look closely at my swinging cock." It's pretty mellow.

***HUSTLER:* What exactly did he say to you? Do you remember?**

CANNIBAL: He said that I was going to have anal sex and that it was going to be the most pleasurable experience I'd ever had. Any touching of that area, any stimulation of that area, was going to promote extreme arousal. There would be no pain involved, and I would be very relaxed, and it would be very pleasurable.

***HUSTLER:* Was he right?**

CANNIBAL: I was so nervous because I thought I had picked a guy with a long penis, but [Billy Glide's] dick is fat like a Coke can, and it's shaped like an arrow. It scared me, because it's really fat at the base. I was like, "Oh, God. He's gonna rip my ass apart." But he didn't; my ass was really loose, and it was gaping and stretchy and stuff. Still really tight, but with plenty of give.

***HUSTLER:* Would you perform a sex scene under hypnosis again?**

CANNIBAL: Yeah.

***HUSTLER:* Do you feel compelled to do it again?**

CANNIBAL: Yeah.

***HUSTLER:* I need to get Rob Seven's number. Then we'll talk again.**

Mind control meets anal domination.

Anita: "Oh, yeah. This feels great."

Old Kid Vegas Had a Farm: *...and on his farm he had an aneurism.*

Tropic of Desire: *"Goddamn, this Club Med vacation rocks!"*

Fast Times at Deep Crack High #2: *"My ass feels totally gnarly."*

Deep Inside Devon: *Or at least as far as a Vivid Girl's contract allows.*

Tropic of Desire

Directed by James Avalon.
Starring Nicole Sheridan, Sky Taylor, April, Sydnee Steele, Linda Diego, Jade Marcela, Dominica Leoni, Bailey, Caroline Pierce, Voodoo, Brick Majors, Mark Davis, Brian Surewood and Tice Bune.
Videocassette: Metro Blue Movies.

Tropic of Desire bears the earmarks of bland, boutique porn, but director James Avalon coaxes sufficient nastiness from his ginches-for-hire to satisfy the surliest of strokers. Central trollop Nicole Sheridan wanders a lush beachfront paradise, spying on horny couples and threesomes. Nicole joins in on several romps, including an opening scorcher between Voodoo and Euro-hottie Bailey. Despite her odd resemblance to Joan Rivers, Sheridan's tight bod and pliable snizz elicit geysers of spunk from Voodoo's hefty wand. A blistering threesome featuring Sydnee Steele, April and Brick Majors simmers when April hypnotically grinds her supple ass on Majors's rod. Although the pace is a little slow and the camerawork is trés artsy-fartsy, *Tropic of Desire* is located squarely in the hot zone.

—Clive Thurstwood

Old Kid Vegas Had a Farm

Directed by Kid Vegas.
Starring Brandy Lyons, Trinity Max, Gia Regency, Kali Stylz, Vinnie Vicious, Scott Lyons and Kid Vegas.
Videocassette: X-Traordinary Pictures.

Finding fault with *Old Kid Vegas Had a Farm* is like shooting retarded fish in a barrelful of molasses. The sad truth is that Kid Vegas is still a lazy porn director, but judging from this effort, his smut-making skills are gradually improving. In toning down the haphazard editing, annoying music and goofball antics, Vegas's latest is much less irritating than his usual fare. An extended creek-side screw featuring all-natural Brandy Lyons is actually very hot. Brandy kneels before her Karen Carpenter-thin fuckmate and slurps his schlong before the hair-farming scarecrow bangs her slit from behind. Finally, Lyons jerks the prick dry, spattering her face with goo. Unfortunately, Vegas ruins this scene (and others) with scrolling onscreen insults directed toward porn critics. Touché, Kid. Even disregarding this depressing self-sabotage, *Old Kid Vegas Had a Farm* clocks in at roughly 60 minutes—a weak XXX crop in any book.

—N. V.

Fast Times at Deep Crack High #2

Directed by Stoney Curtis.
Starring Nicole Sheridan, Gwen Summers, Gina Ryder, Aurora Snow, Claudia Adkins, Ava Morales, Delfin, Mark Davis, Pat Myne, Voodoo, Eric Everhard, Bobby Vitale and Herschel Savage.
Videocassette: Celestial Productions.

Fast Times at Deep Crack High #2 could easily be subtitled *All I Really Need to Know I Learned in the Ass.* Nicole Sheridan and her cheerleading pals wreak rectal havoc in the halls of learning as they pose for yearbook pictures, study with tutors and practice their D.P.s. In the school gym, legal-teen cockhound Aurora Snow gives Mark Davis a lesson in proper form by boffing him on the weight bench. Gina Ryder joins the tag team as a cum-spattered spotter. Later, Claudia Adkins opens her shitter to Pat Myne in exchange for a ride when her bike breaks down. Despite her unfortunate wig, the Euro-tart turns in one of the highlight ass-fucks of the tape. Nicole Sheridan, however, is the school's undisputed prong queen. Thanks to Sheridan's mud-chute aptitude, *Fast Times at Deep Crack High #2* graduates with highest boners.

—C. T.

Deep Inside Devon

Directed by uncredited.
Starring Devon, Corrine Williams, Nicole Sheridan, Dyanna Lauren, Taylor Hayes, Alex Taylor, Inari Vachs, Chandler, Cassidey, Kobe Tai, Raylene, Chloe, Janine and Eric Everhard.
DVD: Vivid Video.

Vivid contract girl Devon is a perky fuck doll well worthy of a compilation such as *Deep Inside Devon.* Had this 12-scene, DVD-only release been a collection of Devon's finest hard-core work, it would be a fine addition to any stroker's library. Sadly, the fucking featured on this disc is all over the map, and the extras are sloppy and misleading (menus labeled "facials" and "girl on girl" feature scenes that mysteriously don't include the title blonde). Still, with Devon screwing eight different guys and taking part in four lesbo sessions, there's plenty to enjoy. Devon's inflated rack (arguably the best tit job in porn) looks great when bisected by cock. Eric Everhard bangs the tiny towhead within an inch of her life, and Janine finger-fucks her cross-eyed. Devon shies away from facials, making the rare cum-shot to the chin all the more satisfying. *Deep Inside Devon* is a shallow win for fans of the top-heavy starlet.

—N. V.

Beast: Ava Vincent, the tastiest of God's creatures.

Beast

Directed by Michael Raven.
Starring Jessica Drake, Ava Vincent, Maya Devine, Mikio Lee, April, Julie Meadows, Tanya Danielle, Karen Dior, Jade, Luna, Candy, Papillon, Flower, Gia Regency, Evan Stone, Alec Metro, Lee Stone, Masterson, Anthony Crane and Mike Horner.
Videocassette: Sin City Films.

The sex-dungeon denizens of Michael Raven's *Beast* indulge their deepest psychosexual, gothic fantasies with the help of über-vixen Jessica Drake and a bevy of top-shelf tramps. The lavish production tracks the downward spiral of mook Anthony Crane as his obsession with Drake's sex club drives him over the edge. Any kink den that features Ava Vincent taking a brutal strap-on fuck from Jessica Drake, or porn waif April deploying a wheezing, teary-eyed and mascara-stained blowjob on Lee Stone's crooked schnitzel, is worth going schizo for, and Crane does just that. Even the overblown dramatics that punctuate its netherworld tale of lust and leather-clad nuns can't tame this slick XXX feature. *Beast* packs enough raw carnality to soothe the savage stroker. **—C. T.**

XXX Training

Directed by Jonathan Morgan.
Starring Serenity, Alexa, Kylie Ireland, Lola, Zana, Nina Ferrari, Lee Stone, Randy Spears, Kyle Stone and Ian Daniels.
Videocassette: Wicked Pictures.

Comedy isn't pretty, and the hard-core humor in *XXX Training* feels like a major ugly-stick beat-down. Bubble-assed Wicked contract diva Serenity's segment is the strongest in that it contains the least of director Jonathan Morgan's "comic" stylings and focuses on molesting Serenity's butt cheeks and reaming her snatch. From there, viewers are subjected to an unfunny descent into all the "hilarious" antics that ensue when pornography is made. An obligatory cameo by Ron Jeremy, loads of bad acting from Jonathan Morgan as an egomaniacal director and feeble routines about how porn writers research their work pummel boners into limp submission. Silicone-enhanced blond fuck-doll Zana scores a few points when she rides Lee Stone's cum crank, but the endless setups for jokes that never pay off drain strokers' funny bones and make *XXX Training* a no-impact workout. **—C. T.**

Shades of Hades

Directed by Thomas Zupko.
Starring Veronica Caine, Milena, Allison Embers, Kristy Love, Autumn Haze, Shay Sights, Mickey G., Brian Surewood, Jack Hammer, Mr. Pete, Chewy, Axl Hose, Smiley and Linkoln Townekharr.
Videocassette: Extreme Associates.

Many artists tout the therapeutic benefits of creative endeavors; *Shades of Hades* merely indicates director Thomas Zupko's need for mental counseling. Story is spare in this free-form slice of psycho-smut. Instead, graphic symbolism and bizarre fuck scenes propel the introspective XXX experiment. A tree partially transforms into a female form. Still rooted to the ground, the bush babe chokes on Mickey G.'s stump. Later, a blonde in white body paint and clown make-up succumbs to a fierce anal probing. The flick's Grand Guignol orgy involves a cross-bound hussy in full Christlike splendor attached by grotesque umbilical cords to a pair of blood-soaked sluts. Anal action ensues, capped by a round of pop-shots and maniacal laughter on the soundtrack. Strokers beware—pleasuring yourself to *Shades of Hades* may render you as mentally deranged as the filmmaker behind it. **—N. V.**

Puritan Video Magazine #31

Directed by Michael Raven.
Starring Angela, Ripley, Shelby Myne, Tanya Danielle, Shay Sweet, Teanna Kai, Taylor St. Claire, Violet, Evan Stone, Dillion Day, Eric Price and Joey Ray.
Videocassette: Puritan Video Productions.

Although the presumed transatlantic nature of *Puritan Video Magazine #31* (subtitled *European Flings*) is suspect, the quality of the well-fucked, well-shot vignettes is evident from the start. Caramel-skinned Ripley, who looks like the transgendered freak from *The Crying Game* (minus the penis), plants her bright-pink snatch on a pecker and tosses her hair extensions around wildly. Shelby Myne proves herself to be one of the true sirens of smut during a pool-table pounding that fills her velvety pocket with raging stick. Butter-faced blonde Angela is the weakest link on the tape, but a three-some featuring Taylor St. Claire, Violet and Joey Ray quickly makes up for limp time. Teen nymph Violet (who has already appeared in a few young-slut vids) and her precocious fucking make *Puritan Video Magazine #31* more than just a one-time thing. **—C. T.**

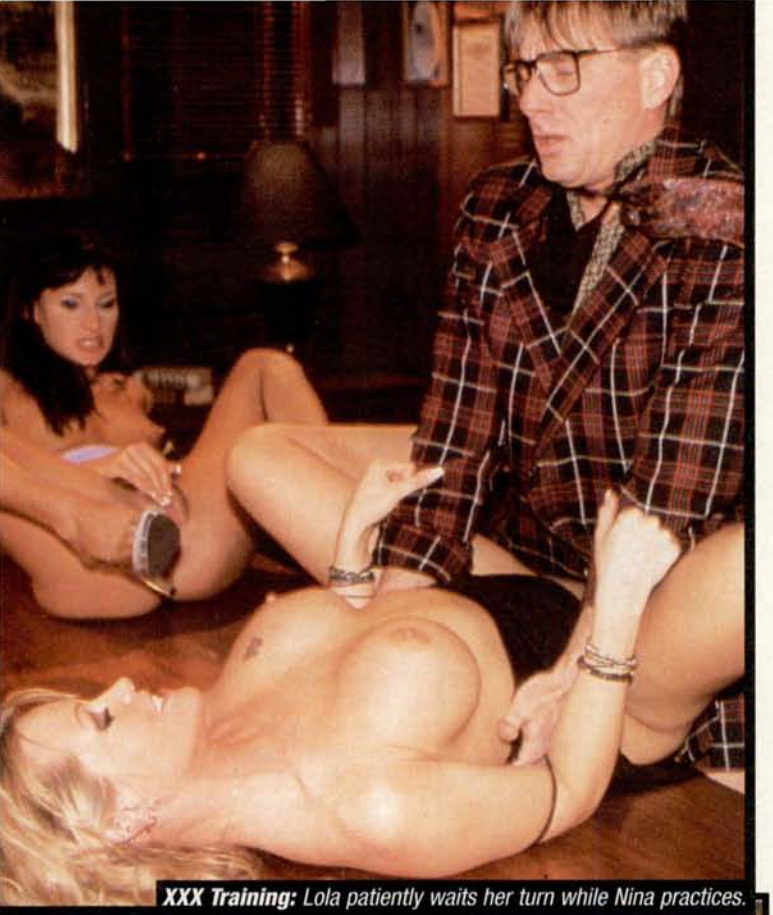
• USAGE, STYLE GUIDES AND XXX SLANG •

Arcane slang and terminology are thrown around XXX movie shoots like cum-drenched paper towels and condom wrappers. For those who yearn to sound like a porn insider, *Erotic Entertainment* offers this guide to the hard-core lingo.



XXX Training: *Lola patiently waits her turn while Nina practices.*

ATM: Ass to Mouth, i.e., a blowjob administered immediately after anal sex. Fun fact: Many starlets won't do an ATM from another chick's shitter. Go figure.

ATM: *Layla Jade gets the shit end of the stick.*

C-Light: Short for "cunt-light." A handheld device used to illuminate the point of penetration. Due to prolonged proximity to dude-ass, manning this device is one of the least popular hetero jobs in the biz.

Cheat: Moving a body part to allow a better view of penetration. This includes the spreading of butt cheeks, opening of legs and labes and, most often, the strategic angling of an entire porn stud.

Shades of Hades: *"This is the Freudian scene you were talking about, right?"*

Cowgirl: Chick on top, in upright position, facing her partner. Named for the galloping motion the babe makes as she rides the prick. Rumored to be a fave of Dale Evans.

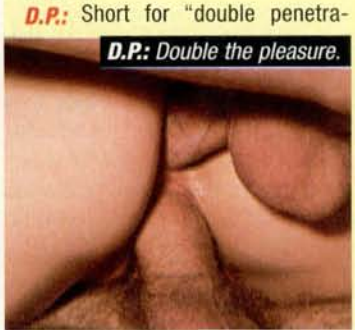
Creampie: *Just like Mom used to make.*

Creampie: An internal vaginal cum-shot, often allowed to drip or ooze out of the cunt. The name is also sometimes applied to a pop-shot smeared into the bush. Usually performed by couples because of intimacy and STD factors. Not as delicious as the name implies.

D.P.: Short for "double penetration"—the ass and cunt are simultaneously plugged.

Puritan Video Magazine #31: *Pink inside and out.*

D.P.: *Double the pleasure.*



Facial: A load of cum sprayed directly in the face. Reportedly good for the skin, and also known for promoting self-esteem.

Fishhook: An orifice is "hooked" and jerked open by a finger, prick or other object. Fun fact: Bobby Vitale has a near psychotic fixation with hooking a porn chick's mouth when fucking her doggy-style.

Fluffer: Porn-set employee who, via offscreen blowjobs and handjobs, helps the male talent maintain an erection. Contrary to popular belief, fluffers are surprisingly rare, particularly in the age of Viagra.

Penny: Short for penetration. Much more expensive than the name implies.

Pop: The cum-shot. When a guest on a porn set, it is recommended that you ask for soft drinks by brand name rather than the generic Midwestern catchall.

Push: The act of expelling semen from an orifice—usually the mouth after a blowjob, but on occasion a cunt or ass ring can be seen squeezing out seed.

R.C.G.: Reverse Cowgirl. Still on top, the female rider rotates 180 degrees. Widely considered the easiest position for shooting unobstructed penetration.

Scissors: A cunt-to-cunt configuration used in lesbian scenes. Double-headed dong optional.

Scissors: *Lesbo cutups.*

Swordsman: A male porn star. Refers to the stud's equipment, not his chivalrous nature.

Girl Trouble: *Problem #1—their dicks don't work.*

Probing Prague: *"Is that all you've got?"*

New Breed #4: *"Check it out; they look like tiny ants from here."*

Girl Trouble

Directed by C. A. Batts.
Starring Celeste, Christa Faust, Cassandra, Jayla, Patricia and Brett Rockman.
Videocassette: Robert Hill Releasing.

Girl Trouble is XXX filtered through a fashion photographer's eye and a kinkmeister's brain. The voyeuristic slant of lensman C. A. Batts is applied to the nth degree as his video camera lingers lustily over the bare flesh of five exhibitionist slits. Largely a fetish flick, as evidenced by the persnickety dom presence of Betty Page wannabe Christa Faust, this reel takes an alternate route to growing wood, almost completely forgoing traditional girl/boy pairings. A full hour is devoted to leather-clad honeys shoving latex dongs through the rips in their fishnet stockings, then frigging their dripping cunts to a plodding techno beat. The steadfastly traditional will bristle at the miles of tape that pass before Brett Rockman breaks the cunt barrier. Whacked-out whackers with a taste for the bizarre will find *Girl Trouble* less worrisome. ***—N. V.***

Probing Prague

Directed by Richard Mailer.
Starring Laura Angel, Niki, Jini J., Serena, Tori, Ivetta, Roseane, Tereza, Lucie, Lucka, Vita, Eric Torez, Jerry, Cage, Boby, Pavel Sahaj and Marty.
Videocassette: Odyssey Group Video.

Leggy, brunet Czech chick Laura Angel guides viewers through the seedy sexual underworld in *Probing Prague*, escorting them to live sex shows and strip clubs where the clientele are welcome to touch and otherwise ravage the merchandise. Niki, a lusty blond dancer, is busted by her jealous boyfriend and immediately carted off to the billiard room. The repentant hoofer bends over the felt like a dog awaiting punishment. Her master crams his fingers into her twat, then slides his pole into her eager opening. Niki's ass is equally accommodating, taking her beau's meat sword with ease. Rife with anal plundering, messy facials and broken English, *Probing Prague* is everything the well-traveled stroker comes to expect from import smut, but lacks the visceral immediacy that makes Euro-filth great. ***—N. V.***

New Breed #4

Directed by Jules Jordan.
Starring Buffy Van Norton, Brittney Baer, Leianni Lei, Misty, Vanessa Blue, Jules Jordan, Eric Everhard and Travis.
Videocassette: Pleasure Productions.

In *New Breed #4*, Buffy Van Norton's cock-oriented daydreams are fulfilled by hardworking swordsman Eric Everhard. The choad-huffing ice queen shows off her lean, scissors-like legs and petite tits as Everhard drills her uppity slot into submission. The rude, final squirt of cum that splatters Buffy's forehead proves there are few sights more satisfying than a snobby twat taking a faceful of spuzz. Otherwise, this collection of five humdrum fuck scenes is pork-by-numbers filth. All of the sluts are fairly attractive, and fans of delicate Asian flower Leianni Lei will love her anal reaming long time, but she's been done better elsewhere. Porn shelves are already crammed full of similar product. *New Breed #4* needs something more than a so-so stable of slatterns and a working camera to distinguish itself as a rare species. ***—C. T.***

Catheter Junkies Turn Peeholes Into Fuckholes

by Melissa Monet

Photography by Ladi von Jansky

Michael, a 38-year-old lawyer, reclines on the sofa in his Los Angeles, California, home as Laurie engulfs his throbbing cock. "Hold on. You're gonna make me come," warns Michael.

Laurie stops, backs away and smiles wickedly. "Not yet, Mikey; we're going to try something new." The skilled fellatrix wriggles her tongue deep into the hole of Michael's dick.

"It felt weird, like I had to pee really bad," remembers Michael. "But at the same time, it felt really good; so I didn't stop her."

Laurie interrupts her tonguing of Michael's urethra in order to grab something from her purse.

"She took out this stirring thingie—you know, the plastic kind you get at a bar," recalls Michael. "She slid it in, and I came right away. It hurt like a motherfucker, but it was the best orgasm I ever had."

The deflowering of Michael's peehole occurred five years ago; Michael has been inserting objects into his urethra ever since. "I never wanted to stretch it out too far, but I can't help it; the feeling is amazing. I can't describe it. It's better than anything else I could do to myself."

* * *

While most people grab their crotches in protective reflex when they think about sticking something in their pissholes, Michael is but one of a number of perverts who've taken to urethral self-instrumentation, known in peehole-penetrating circles as *sounding*. Deriving its name from the nautical term for measuring water depth, sounding is the act of inserting objects into the urethra to achieve sexual satisfaction. A sounding instrument, or *sound*, is a rod that is slowly maneuvered up the urethra.

Sounding rods come in a variety of lengths and diameters. For safety reasons, sounding rods must be perfectly round in shape and smooth in texture, and should be manufactured using only unbreakable materials.

Hailed as the best sounding instrument for men, the VanBuren is a 12-inch, usually steel, rod. The VanBuren has a 70-degree bend near the tip, which allows for stimulation of the prostate gland.

"It's like getting fucked from the inside of your dick," says Frank Strona of Mr. S Leather and Fetters in San Francisco, California. Strona teaches sounding and catheterization play around the country. "The inside of the urethra is very sensitive, and the fullness can be a very erotic feeling. What you're doing is using one more hole on the body to create sensual awareness. Women can also play with sounds."

Because women have shorter urethras and don't require long sounding instruments, they generally start with a pediatric catheter (a thin, soft, easily bendable, plastic tube) and work their way up to dilators.

Sounds, catheters and dilators can be purchased at medical-supply stores as well as specialty sex shops, but common household items—including thermometers (the glass variety is heavily discouraged), cotton swabs, wires, spoons, jewelry, hairpins and dildos—also find their ways into the peeholes of urethra stimulators. Some creative sounding buffs fill straws with water, freeze them, peel away the plastic and stick the resulting ice rod up their pissers. Tongues, fingers and penises are also frequently used to pleasure the urethras of sound-play freaks.

An emergency-room physician in Chicago, Illinois, says that he has treated a number of men and women who insert "just about anything" into their urethras. "I think it's ridiculous that a sane person could convince themselves that putting a spike down their private parts is a way to sexual gratification. One patient said that he had been doing this since he was a child; he is now capable of shoving an object a little smaller than my fist into his urethra. How can that possibly *(continued on page 61)*

"The Amazing Ty" has permanently stretched her urethra far enough to accommodate a penis. "I come instantly from having a cock inserted."

(continued from page 53) feel good?"

Not only does porn actress "the Amazing Ty" think that shoving things in her urethra feels good, she has made an entire career out of peehole play.

The star of the *Urethral Weapon* series (Denni O Video) began her pisshole odyssey two years ago, when she inserted the handle end of a toothbrush into her urinary tract. "My pussy is a playground," declares Ty. "It was just another hole to explore."

Ty has since permanently stretched her urethra far enough to accommodate a penis. "I come instantly from having a cock inserted—it's great." Ty can be seen in her videos sticking all manner of things—mainly dildos and fingers—into her urethra. Ty doesn't use smaller objects anymore and has never used a sound. "By the time I learned about sounds, you would have had to group them together with a rubber band for them to make a difference."

Ms. Cynthia, a professional dominatrix, has a preference for catheters. "I like to pee when I come, and I cannot urinate with a sound; with a catheter, I can."

Ms. Cynthia shoves catheters into her female submissives as well. "This is erotic play for me, not S&M. Women shouldn't do this for pain; there is no pain involved. I may have a slightly higher tolerance for pain, but my initial reaction was the same as anyone's would be; it was uncomfortable at first, but the unknown fear was worse than actually doing it."

On a man, Ms. Cynthia uses sounding rods. "It's a more erotic sensation for men. Some will ejaculate from even the slightest penetration, others [come] when the sound passes the sphincter muscles." Erotic sensations notwithstanding, the dominatrix warns that peehole penetrators must be careful not to tear the urinary tract lining. "If you scrape the urethra when the penis is engorged, there will be a tremendous amount of blood. You have to get the erection down right away, and then he shouldn't get an erection for two to three days after." As painful as the procedure sounds, Ms. Cynthia laughs, "Sounding itself doesn't hurt men; it's after that the pain occurs, during the first piss."

Not surprisingly, there are other perils involved with sticking objects up the urethra. "The primary risk is tracking infection into the prostate for men and into the bladder for women," says Dr. Alex del Rosario of the Terra Nova Medical Group in West Hollywood, California.

The "scene-friendly doctor" stresses the importance of strict hygiene and urges sounding enthusiasts to use an autoclave to sterilize their sounds. Even then, del Rosario warns, "People will sterilize their instruments, which is great, but then they will put the sound in their mouth for lubrication. This introduces all types of bacteria into the urinary tract. People should also use gloves and a good lubricant." The doctor further cautions that "normal skin bacteria can be dragged down the urethra to infect the prostate."

Michael learned the importance of sterile conditions after a woman stuck her finger up his urethra. "I came instantly, but I got a major infection. She either had shit under her nails or it was from her pussy afterward. It was tough to explain [to a doctor], and that's why I let it go too long. I was living in a pretty small town at the time, and I couldn't even pee anymore without screaming my head off; so I was forced to go see someone. The doctor looked at me and shook his head in distaste."

Urinary tract infections, if left untreated, can lead to kidney infections, kidney failure and even death. Urethral sex-play fanatics should pay careful attention to how their bodies react and contact a doctor immediately if they notice anything unusual.

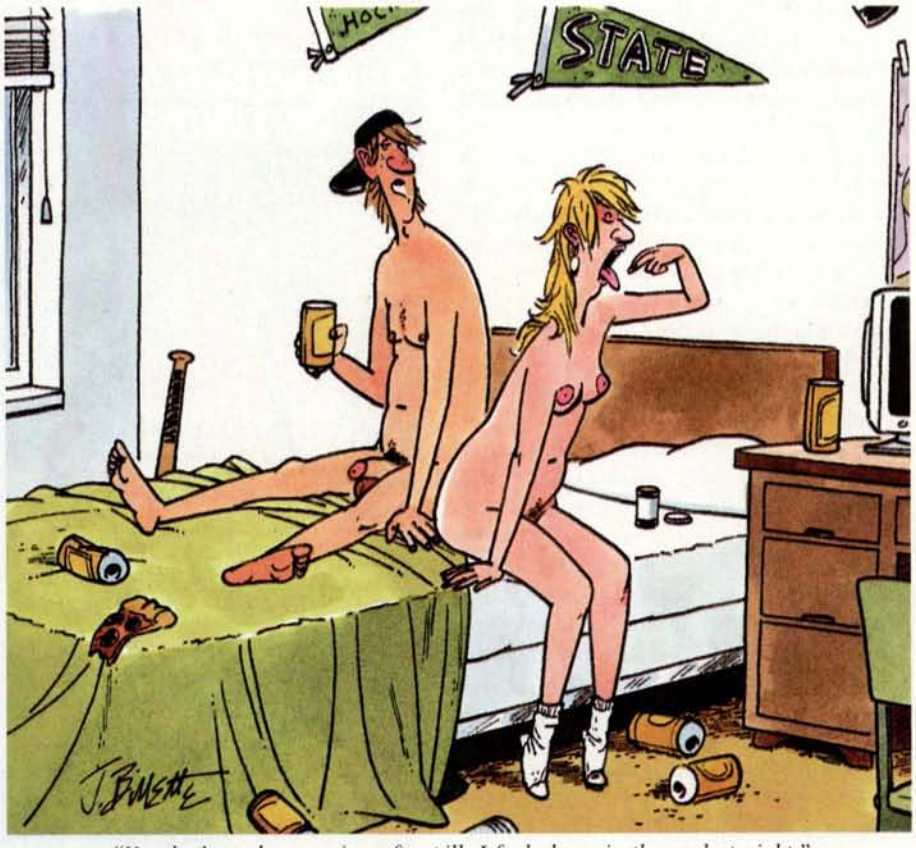
Females who engage in urethra action can puncture their bladders, since their urethras are only two to three inches long. Women can also become incontinent due to the stretching of their urethras (men do not suffer this condition, because their bladders are located past their sphincter muscles). "If you stretch [the urethra] out too far, you may have a peeing accident here and there," admits the Amazing Ty.

Being unable to urinate is a common problem for both male and female sounding fiends. Urethral strictures (the narrowing of the urethral passages caused by scarring) can interrupt the normal urine flow.

With all of the potential health hazards, why risk it?

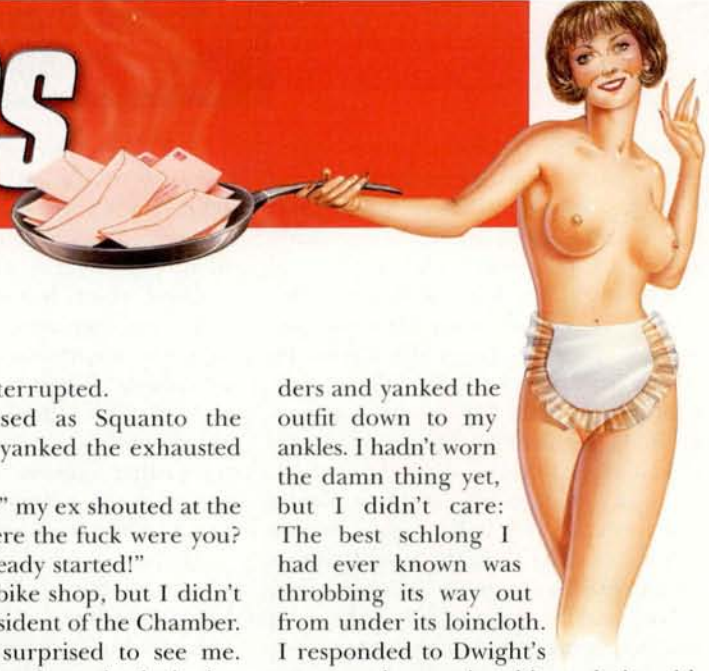
"Stretching the pussy muscle, it's incredible," says Ty, who enjoys filling all of her orifices at once. "I'm just a four-hole girl."

Michael derives a different kind of satisfaction from peehole spelunking. "The best is when a chick has a strap-on and fucks my ass while I jerk off with the sound. I don't care how squeamish you are, if people knew what it felt like, everyone would be doing it."



"You don't need a morning-after pill. I fucked you in the ass last night."

Hot Letters



Turkey in the Raw

Sometimes I reminisce about tit-fucking my old boyfriend, Dwight. He used to bury his big dong in my cleavage until a rope of tasty pearls splatted onto my chest and chin. When there's nothing else going on, I'll think back, stroke my huge rack with one hand and finger my slippery love-mussel with the other until it does flip-flops. Aside from the killer knocker-hockey, I don't miss him. I've happily become the biggest slut in town. It was nice to see him at the Thanksgiving parade though.

The Chamber of Commerce's float was really good last year: It was shaped like a cooked turkey on a platter, and business owners dressed like Pilgrims stood in front of the cavity and waved. I was a paid stand-and-waver, because I don't have a store. No pretty girls of any age belong to the Chamber; so they pay pretty good to have a little blonde with tremendous hooters standing and waving next to a giant turkey.

I went to Skip Brophy's Storage the morning of the parade. The whole Chamber was there, garnishing the float. I was a little embarrassed, as I'd had wild sex with almost half of them. My Pilgrim dress had no room to stash my big floppers; so I had to leave it open in the back and ask Scarpelli, the little barber, to safety-pin the sides as close together as he could. As soon as he was behind me, his hairy mitts were mashing both melons into my chest. Scarpelli rolled my fat nipple between his fingers before removing the frock and dropping his Pilgrim pants. Bent forward, I wiggled my curvy haunches from side to side, teasing the crafty Italian with my girl musk until he skewered my moving trim-target with one thrust and settled into a fierce pounding rhythm. The other Pilgrims cheered as Scarpelli held onto my jugs and lifted his feet from the ground, without missing a stroke. The barber rode me like a mule until he loosed a hefty wad inside me. My grease and his spunk combined to make a *splut-splut* noise. I reached back and ground his hips into my twat, creating a cunt-lock that kept him reasonably stiff until we were interrupted.

Dwight, dressed as Squanto the friendly Indian, yanked the exhausted Scarpelli away.

"You assholes!" my ex shouted at the assembled. "Where the fuck were you? The parade's already started!"

Dwight has a bike shop, but I didn't know he was president of the Chamber. He was just as surprised to see me. Glad, too, judging from the levitating state of his loincloth. Eyeing his impressive boner, I felt a twinge of regret moisten my crotch. You don't find too many pricks like that, and it's a shame to lose one.

There was no use in trying to catch the parade; so I went to the porta-john. When I came out, everyone but Dwight had left. Pulling my dress back on, I tried to holster my chest missiles as he led me into the turkey's cavity.

Dwight put his hands on my shoulders and yanked the outfit down to my ankles. I hadn't worn the damn thing yet, but I didn't care: The best schlong I had ever known was throbbing its way out from under its loincloth. I responded to Dwight's overture by grazing his cock-tip with my trim little bush. I lay back on the chicken-wire-and-papier-mâché surface and half-closed my eyes. Before I could say, "Suck my titties," Dwight had my left udder in his mouth. I couldn't see his face as he pressed into my bosom, but I felt him slurping at the underside, then clamping his teeth onto my stiff nipple and sucking with the force of an industrial Electrolux.

Dwight's ability to flutter my cooch with his breast work had always been his most attractive feature. Pleasant memories of past titty-fucks flooded my cunt as my old *(continued on page 72)*

Dwight pulled out and spewed over my huge mounds. I diddled myself and came just as he sent his last several spurts splashing onto my face.

(continued from page 62) boyfriend seized my boobs and nestled his huge meat between them, kneading my soft flesh along the thrusting rod. The soft light inside the turkey and the carnal aroma steaming from my unattended gash made me yearn for a meat hammer inside me. Not an everyday pepperoni like Scarpelli's either—I needed Squanto's big beef stick.

"Now," I moaned, flushing from head to toe, "send me home, Dwight."

After two or three more deep thrusts between my knobs, the not-so-little Indian left a gob of pre-cum under my chin, like his dick was kissing my face, and repositioned himself. I could hear my twat burp as Dwight's cock went in, the juicy folds welcoming an old friend. I had forgotten how delightfully rough he could be. He squashed my boobs together until they turned deep red, all the while ramming me so hard into the chicken wire that my ass felt like a radish on a grater. My love button was swollen and tender; he jammed his thumb against it like he was calling an elevator. I yelped from the sensory overload.

My old flame knew me well. Just when I couldn't stand any more and was longing to taste his jism, Dwight obligingly pulled out and spewed over my huge mounds. I diddled myself and came just as Dwight sent his last several spurts splashing onto my face.

Refreshed, I sat up and used my discarded costume to wipe the spoo from the places my tongue couldn't reach. In the cavity entrance, a knot of Chamber Pilgrims erupted in applause. The parade had ended at Memorial Park some time ago.

I felt no shame; after the humiliation the business community had subjected me to, I was happy to show those limp-dicks a glimpse of serious fucking. I haven't forgiven the Chamber. Not many of them will ever party with me again.

As Dwight covered my nakedness with the scum-globbed costume and led me away, I was worried that he thought we were back together. I've been catting around for too long to give it up. When he spoke, I was relieved that I still had my freedom.

"Shit, Karsten," Dwight said, looking me over and trying to keep the wonder out of his voice, "you're like the floor model at my bike shop—everybody's had a ride."

I don't deny it. —K. B.

Ashes to Ass

As God is my witness, I butt-fucked my wife's little sister at her mother's funeral. A week later, I can still see her tender little shit rings before me, stretched almost to the breaking point to accommodate my tool. I haven't forgotten the sparse, light-brown hairs that she's probably never noticed, the smell of anal friction mixed with freshly cut grass, and the monkey-noise of a young lady being ass-banged against a wall. My wife would frown on this sort of thing, but given the same circumstances, I'd do it again.

My Barb was about to lose her composure at the grave site. My in-laws are all trim, lanky women. I find all of them attractive, even the recently departed Mom. Barb, my missus, had always been 19-year-old Michelle's protector. The sad little sweetheart hadn't put two words together all day without bursting into tears, but my wife was too shaken up herself to comfort the kid.

As the fat minister droned on, Michelle really started to blow. The grieving teen suffered a bout of heaving sobs, then wandered away, her eyes gushing like two faucets. One pleading look from my stricken wife, and I sprinted toward the girl, already hard.

I caught up with Michelle 20 yards away. She was doubled over. Her tearful moaning came out as a droning *aaaaah* that reminded me of the way Lucille Ball would cry on TV, although it's more annoying than funny in person. I put an arm around Michelle's slim waist as reassuringly as I could. She had the same sandy hair and terrific rearend as my spouse, but Barb had never been so fit, even when she was Michelle's age.

There was no mistaking the signs: This 19-year-old needed to be fucked hard. Through her simple black dress, I felt the inconsolable youngster's trembling flesh. I was just the man to pop her into a better frame of mind.

"Hey, what's wrong?" I asked softly, trying not to be too obvious as my hand fell four inches and lingered on one of her sublime ass cheeks.

Michelle's tight body latched onto mine. "*Mama!*" she howled, splashing saltwater onto my best tie. Sorrow tends to make girls grind themselves against damn near anyone at *(continued on page 80)*

A lithe, young brunette is writhing, tied to a table. One tormentor works the brown-haired beauty's spread vulva with a riding crop while another, Mistress Bloodstone, endangers the girl's nipples with stainless-steel, Freddy Krueger-esque talons, poking the finger-blades deep enough into the girl's restrained flesh to produce a few runny red droplets. According to Mistress Bloodstone, the restrained girl at the center of this attention is "half-Irish, half-Japanese, and all submissive." But the twisting chick on the table can only say, "Yes, mistress," and, "m-m-more, m-m-more."

The sneering, curly-maned Bloodstone regularly plays "dom" to the anonymous Amerasian beauty. They and 50 or so others are at Slurp, an irregularly scheduled, just-this-side-of-legal, "anything goes" S&M sex party in New York City. Slurp is not a place, per se, although its traveling hijinks are frequently held in one particular Lower East Side catacomb. The locale is a thoroughly indiscreet establishment that appears to be, if anything, an art gallery with a ground-floor entrance that faces a busy downtown boulevard.

The deviants at Slurp have gathered to watch hands-on sexual activity and, if they're so inclined, to

lend their own bodies to the proceedings. One male reveler sports nothing but a "Taste the Blood of Dracula" T-shirt. Mistress Bloodstone asks the underdressed onlooker, whose naked hard-on appears to be rhythmically pulsating in time with his eyeballs, if he'd like to insert a modified vibrator into the undulating figure on the table. Without hesitation, he shoves the sex toy between the woman's aroused and dripping labia. He then flicks a switch. An electric shock zaps the masochist's innards. She yelps. The crowd winces, then begs for more.

Somewhere in the back of the club, among the free condoms, rubber gloves and paper towels, there is more yelping, accompanied by the cracks of paddles meeting backsides, the hisses of whips nipping tender skin, and the pound-and-slop rhythm of glory-hole blowjobs. Further back yet is good, old-fashioned fucking. This gathering is rare for its mixed nature—most events of this stripe offer either coital sex or sadomasochism, never both. But what truly elevates Slurp from the typical sex party is that the organizers work hard to ensure that there are far more women than men at the event.

Slurp has arisen from what its participants deem "persecution" at the hands of local government. Invitations are doled out only to select players in Manhattan's

S&M and fetish scenes. No money ever changes hands on the premises. No alcohol is sold, and anyone who is caught bringing in drugs is banned for life from the sex-party circuit. Only those who know the secret password can enter Slurp. They learn this password by knowing the right people, and they meet the right people by expending a lot of time and energy publicly plugging into whatever oddball shit gets them off.

In the modern-day, Disney-polished Big Apple, this can be no mean feat. Outside of one's home, kink is not often easy to come by. "If Rudy Giuliani knew about this place, there's no way that asshole would let us keep going," speculates an attendee calling herself Madame Witchblade.

New York's famously anti-sex-industry mayor is vilified regularly in even the most casual conversations at Slurp. "Right on my fuckin' table, I'd fix what was wrong with that fucker," cackles Mistress Bloodstone. Since the mayor is not currently tied to Mistress Bloodstone's table, the mistress whips the almond-hued honey instead, slashing long, crimson lines across the submissive's naked chest. The resulting sobs are squelched with a ball gag.

While straight citizens credit the former U.S. Attorney with creating a cleaner, safer, record-breaking prosperity in New York City, Giuliani has also been unwavering in his zeal to prosecute adults-only businesses.

Only a handful of stalwart sex establishments keep the infidel fires burning. Primarily, there is La Trapeze, which features on-premises partner swapping for couples, and the Hellfire Club, a decades-old whips-and-chains parlor in the meatpacking district. Paddles, which was the size of an airplane hangar, simply closed in 1995 rather than fight ever-narrowing legal restrictions on activity—rules that ranged from time curfews and no oral contact between clubgoers (including kissing), to sudden enforcement of ancient, long-forgotten "no dancing" cabaret laws. The Vault, a legendary torture palace that regularly attracted celebrities eager for an eyeful, moved locations several times in a vain effort to outpace the mayor's ceaseless shift in zoning laws. The club's owners finally surrendered in 1999.

"For eight years," says Delilah White,

a porcelain-doll-pretty dominatrix and Ivy League Ph.D. candidate, "that bastard has been trying to prevent me from making a living." Delilah will have to leave Slurp early tonight, she says, because "a friend and I are going uptown to pee on a World War II veteran." Somebody has to pay her tuition.

Few individuals work harder to preserve the NYC fetish front than Slurp founder Abby Ehmann. The good-humored, 42-year-old, New Jersey-born redhead boasts long, muscular limbs, a commanding presence, and an impressively flat midsection topped by gravity-bending, all-natural, 42DD breasts.

Abby took an interest in commercial sex in the early 1990s, around the time she met her husband, who was then an editor at *Screw* magazine. Party-throwing had long been something Abby did for fun, and when she combined the two pastimes, Ehmann invented a new career for herself.

In September 2000, Ehmann produced the Festival of Fantasy, Fetish and Fashion, a weeklong fetish event at Hedonism II in Jamaica. "It was just such a sexy vibe, all week long," Abby recalls. "People did things I couldn't believe. Madame Cole de Sade [one of Gotham's most sought-after doms] stuck a cocktail stirrer into a guy's urethra. She also pissed into his mouth. Once the crowd heard that [de Sade had an electric butt plug], they all cheered to have her put it in. I was pretty floored by that—a roomful of basically vanilla folks cheering for electrical-butt-plug action."

The festival's success convinced Abby that there was a genuine need for a no-boundaries sex party in New York.

"Although there are swinger parties where people have sex and S&M parties where people get into that stuff, there doesn't seem to be anywhere you can do both. People who are really into BDSM are turned on by it; so it would be nice to take things to the next level, that being sex. You don't get that in sessions with pro doms or at regular play parties. And you won't find people spanking or whipping each other at swinger parties."

"People did things I couldn't believe. Madame Cole de Sade stuck a cocktail stirrer into a guy's urethra."

Of Abby's present roster of weekly activities, her most heavily attended is Gomorrah, a "fetish play party" that features outlandish erotic performances and contests, and attracts a vast array of scene-makers. Gomorrah is also where the chosen ones receive the Slurp password.

Because nudity is forbidden in any New York venue that serves liquor, Gomorrah partygoers must remain clothed. Even at places without booze, genital-to-genital and mouth-to-genital contact are against the law. With all of the strict antisex laws, Slurp must employ creative means to operate.

Filming an NYPD training video.

"I rent the space for a totally private event," Abby notes, "which is almost the equivalent of having a party in your home. And nothing is for sale, not even water.

"Still, it seems that no matter how you find loopholes for the laws, they'll find something to bust you for. Like when bars get tickets for having their liquor license screwed to the wall instead of hanging on a nail. I don't relish the idea of going to jail, and I don't like the idea of the people I'm renting the space from being arrested or shut down either."

Why bother then?

"I really want this to be a wild party, something that you can't find anywhere else, with a welcoming, sexy vibe that motivates people to participate. Or if they like to watch, as I do, to have something extraordinary to watch. To that end, the only thing that's actually forbidden is pestering. If a couple is in the throes of passion, for example, and someone starts to grope or whatever—you really need to be aware of other people's boundaries."

For the most part, attendees seem to follow these guidelines. On the frequently visited table in the center of the main

room, a man performs cunnilingus on a lean, lanky blonde while another sucks on her barbell nipple rings. When the fellow on top slides in for some face-sucking, blondie whispers, "No kissy, please." He nods and returns to her areolas.

Meanwhile, Arthur the Rug Man appears on the floor to be literally walked on by a succession of women: Madame Cole de Sade (who has decorated her free-bouncing mammaries with rhinestones), Domina Skye (an athletically built pro who drops her cigar on "the rug" and grinds it out on him with her heel) and Velocity Chyalld (the stunning, curvaceous, pink-maned powerhouse who fronts a rock band called Vulgaris and headlines her own cabaret act that involves baby-bottle nipples affixed to her enormous chest and copious amounts of stage blood).

The nude, lightly bleeding young lady who fell prey to Mistress Bloodstone rises from the table of her happy hardships. The well-worked sub's boyfriend helps her back into a black bra and panties. She has been crying, but hardly looks sad. "She doesn't want to talk right now," the boyfriend says. Ten minutes later, she'll be unable to say anything anyway, as his cock will be stuffed down her throat in Slurp's pitch-black Couch Room. Many things are stuffed in many places back there, as well as in the Swing Room, the Torture Hammock Room and the labyrinth, which is lined with glory holes. That's not to mention the three bathrooms, including the king-size john down in the basement, where six unclothed humans can fit comfortably.

The glory-hole maze is a sight straight from swinging '70s art-porn. A skinny, delirious blonde works her hands and mouth on four cocks that protrude through the open circles cut out of the psychedelically painted plywood walls surrounding her. The horny towhead bends forward and wraps her pussy around the largest of the disembodied erections. On the other side of one of those walls, a towering Asian dom is inserting her shoe up the rectal canal of a hog-tied and handcuffed naked guy in what would be, under very different circumstances, a comfortable hammock.

A skinny, delirious blonde works her hands and mouth on four cocks that protrude through plywood walls surrounding her.

Out front, two girls in their early 20s greet the doorman. One, with cornfed features and pink flecks in her shoulder-length black hair, wears an intensely sexualized cat costume. The other, with a blood-red mane and snow-white skin that presumably must be protected at all times from daylight, shows off her gorgeous, youthful form in black vinyl. They say the password. The doorman then turns to Abby, who has stepped into the front room to grab a seltzer, for the thumbs-up. She gives it.

Once inside, Cat Girl and Black Vinyl waste no time. Cat Girl immediately strips to a thong and finds a surface to lie down on. Black Vinyl produces rope and a candle from her Betty Page-emblazoned handbag. The feline femme, in short order, is tied down, tantalizingly prone, while onlookers are invited to drip hot wax onto her nipples. Black Vinyl removes Cat Girl's thong with a single, violent yank and maniacally eats her snatch to a fusillade of explosive orgasms. Candle wax showers the convulsing kitty throughout.

From the crowded basement bathroom, a female voice cries, "More cocks!" It belongs to a shockingly beautiful African-American woman who has been entertaining males by jacking them off onto her face. The ebony handjob queen is coated with the ejaculate of at least five different donors as she loudly calls out for further adornment.

* * *

It's mid-May at Gomorrah, Abby's weekly fetish party, and the word is out. The password for the next Slurp, that is.

Even so, the night's main attraction is the Second Annual Miss Fetish New York Pageant, a combination fashion show and beauty pageant, which has drawn an eye-popping array of horned-up hopefuls.

Mistress Rogue owns one particularly lush set of pucker-pillows. The 21-year-old "spank freak" hops around giddily over making the Slurp list, her heaping tendrils of bright-red curls flying. The petite, amply packed Rogue has traveled from the outermost reaches of Brooklyn clad in a chain-mail bra and a see-through skirt. Underneath, the back of her thong underpants disappears between two astoundingly pro-

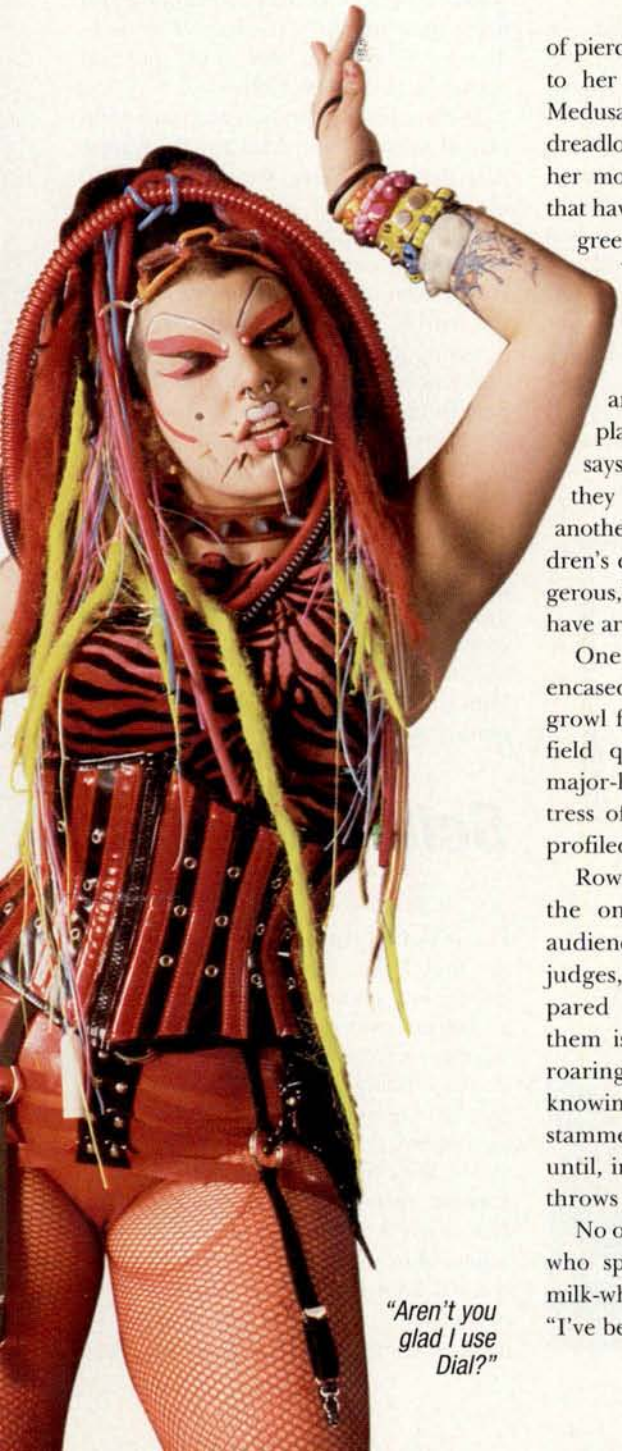
nounced, flawlessly round ass cheeks. She lists her chief fetishes as "anal" and "back play," obviously making swell use of what she's got.

Accompanying Rogue is a bespectacled, BARELY LEGAL-esque knockout named Brie. She is a tall, chesty gamine wrapped in purple rubber, who nonetheless exudes a slight air of charming awkwardness. And, put bluntly, she looks like she's 12 years old. The audience is going to eat her up. As will the throngs at Slurp, only more literally.

In a corner, Mistress Janice displays amazing precision as she thrashes what look to be ten-foot-long latex tentacles across the back of her slave. The licorice-thin extensions are directly attached to her fingers and provide a potent visual extra to her ensemble.

By contrast, the creature calling herself Venus is perhaps too spectacular. Her body is embedded with, literally, hundreds of piercings. She is tattooed from her face to her feet. Her hair explodes into a Medusa-humbling onslaught of multicolor dreadlocks. And, somehow, the inside of her mouth, right behind a row of teeth that have been filed into fangs, glows neon green. "I bring color into darkness," Venus declares. Venus won the Miss Fetish competition last year. Her kink? Black light.

"I've been connected to the scene since I was 16. My mother was a dominatrix; so I'm second generation."



"Aren't you glad I use Dial?"

Another contestant stands 6-4, and that's without her five-inch platforms. ("Thank my parents," she says. "Only for the height though; they don't like the fetish stuff.") Still another is 4-9 and wears size-14 children's clothes. ("I'm small, but very dangerous," she snarls.) Several contestants have arrived in gas masks.

One by one, the leather-and-metal-encased contenders strut, bump and growl for the packed house. Then they field questions from the Baroness, a major-league dom who serves as mistress of ceremonies and who was once profiled on HBO's *Real Sex* series.

Rowdy hoots drown out almost all of the onstage dialogue. Based on the audience response as interpreted by the judges, the initial 15 or so comers are pared down to five finalists. Among them is baby-doll Brie, who bowls the roaring masses over simply by not quite knowing what to do. She giggles and stammers and half-waves to the crowd until, in a fit of clueless inspiration, she throws her hands in the air and spins.

No one cheers louder than Lady Siren, who sports an ink-black mane of hair, milk-white skin and yellow-and-red eyes. "I've been connected to the scene since I was 16," she announces. "My mother was a dominatrix; so I'm second generation. I didn't compete tonight because I already know that I'm a fetish goddess."

"You want egg roll with that?"

Ultimately, the winner is Francesca, a tall, thin, charismatic platinum blonde who wears a black-vinyl thong leotard, fishnet stockings, black-leather boots and a policeman's hat. She walks away with a couple of hundred bucks in cash, a crown, a sash, an assortment of sex toys, a professional photo-shoot and the password to Slurp.

There is some discussion as to whether Slurp info should be slipped to a buxom reporter who's shown up from an A-list Internet magazine. She certainly fits the bill, stuffed as she is into a pink vinyl top and too-tight, cut-to-the-pubic-mound skirt, but she has not yet proven herself sufficiently discreet.

Abby Ehmann decides to keep mum.

"That level of coverage could bring the wrong kind of attention to the party," Abby says. "Then again, I'd love to see her chained up and licking pussy."

I rammed my thick joint past Michelle's rectal port. She trembled like a Holy Roller and ground her face against the marble wall.

(continued from page 72) the drop of a hat.

"Let me make you feel better," I murmured.

I lifted Michelle's dress up past her hips, pulled down her panties and marveled: Her little cream puff was dotted with stubble, and nearly as moist as her tear-soaked peepers.

She turned her puffy eyes toward mine. A fresh batch of sobs broke free, and I gave up any thoughts of wearing my tie to work on Monday. I'm sure the poor thing wasn't aware that her nipples were hardening with each thrust of her shoulders, until they poked through the fabric of her dress like a pair of jujubes. Michelle's stubbly split pouted, as if it were mimicking her own comfort-seeking countenance. I offered my handkerchief to the crying babe and fingered her gently.

In a matter of seconds, her pussy lips were weeping too. I plunged two fingers in and pressed upward. Michelle began to bawl like an infant. Her hand tugged at mine, and we diddled her grasping tunnel together.

The girl responded to our combined effort, squirming around and yelping, but she didn't come. I withdrew for a second and rubbed my chin speculatively as a strong whiff of fresh clam juice wafted into my nostrils from my hand. I needed to up the ante and fuck her into solace.

You don't really know your in-laws until you taste their sweet pussy juice. As I licked deeper, Michelle wrapped her legs around my head, sniffling. I fingered her clit until the sly button played hide-and-seek with me. After one last slurp, I inserted four fingers into her honey hole to take the place of my spearing tongue. Michelle's sobs gradually became rapid breathing. I tried to cram a thumb into her taut crevice, but it just wouldn't go. Her clit resurfaced, swelling to the size of a fingertip.

The bereaved stunner squeezed her eyes shut. "Ma-ma...ma-ma..." she gasped, in time to my thrusting digits. The mourning filly convulsed—whether from anguish or pleasure I can't say. My cock was ready to burst my zipper; so I flipped Michelle over, freed the beast, and jammed it between her lean rump-cakes. My little sister-in-law pushed away from the mausoleum wall and into me. The tip of my hard member skidded across her ass crack; she was too wound up for me to penetrate. Michelle shook her head and tried to wriggle her gymnast-grade bottom away from me.

Suddenly, I had the words to make her understand. I don't know where they came from. You hear about prophets channeling the Divine Spirit; I don't know if I was speaking for the angels or just rising to the need.

"Honey," I soothed, reaching around under her dress and tweaking her nipples reassuringly, "it's never easy. Some things make us want to shut the world out. But I know you; you're strong. Just relax and let the pain in."

I felt every muscle on Michelle tense up before she unclenched just as quickly. A loud, guttural rasp rose within her. "God!" Michelle choked, screaming and heaving at once. "What have I done to deserve this?" Her shit chute popped open like the gates of Heaven.

With a little elbow grease (and well-placed saliva), I rammed my thick joint past her rectal port. We hadn't bucked ten times when I fired a tremendous load into her colon.

Michelle came; she trembled like a Holy Roller and ground her face against the marble wall, then fell perfectly still. A dollop of liquid flopped out of her pussy onto the grass; I like to think of that fluid as all of the sadness leaving her body.

"There," I cooed, stroking her hair. "All better?"

My sister-in-law remained sullen for the rest of the day, but the worst had passed. I believe in my heart that God is just and knows my cheating was an act of mercy. I distended Michelle's sphincters only to succor a soul in torment. I thank Him every day that Michelle opened so readily to my consolation. —A. L.

A reporter was having difficulty interviewing Tarzan because of the apeman's limited command of the English language. When the interviewer asked Tarzan what his wife's name is, the Lord of the Apes grunted, "Wife Jane."

The reporter tried for a little more information and said, "Yes, but what's her whole name?"

To which Tarzan grinned, "Hole name 'cunt.'"

One day, during a grammar lesson, the teacher asked for a show of hands from those who could use the word *beautiful* in the same sentence twice. First, she called on little Suzie, who responded with, "My father bought my mother a beautiful dress, and she looked beautiful in it."

"Very good, Suzie," commended the teacher.

She then called on little Michael.

"My mommy planned a beautiful banquet, and it turned out beautifully," he answered.

"Excellent, Michael!" Then, the teacher called on little Johnny.

Johnny stood at his desk and said, "Last night, at the dinner table, my sister told my father that she was pregnant, and he said, 'Beautiful...just fucking beautiful!'"

A Marine on leave was lying on his back on a massage table, wearing only a towel over his groin. A young, very attractive Asian masseuse kneaded his shoulders, then his chest, and gradually worked her way down his torso. "You want jack off?" the masseuse asked.

"You bet," came the excited reply.

"Okay," she said. "I come back ten minutes."

Question: How can you tell when an auto mechanic has just had sex?

Answer: One of his fingers is clean.

In the free clinic a man handed a doctor a note that read, "Doctor, please help. I have lost the ability to talk."

"No problem," said the medic. "Just whip out your penis and lay it on the examining table."

The mute patient did as he was told, and the doctor promptly whacked the member with a big plastic mallet.

"*Aaaaaaaaaaaaa!*" the man screeched in agony.

"Excellent," observed the doctor. "Come back tomorrow, and we'll work on the *b*'s."

Riding in an elevator, a blonde, a brunette and a redhead were on their way to work. The redhead noticed a spot on the elevator wall and remarked, "Looks like a cum stain."

The brunette leaned over, sniffed at the blotch and pronounced, "Smells like a cum stain."

Then the blonde stepped forward, licked the blemish and concluded, "Well, it's nobody from this building."

Two fags decided to have a baby, but didn't want to adopt because they wanted a child as biologically close to them as possible. They whacked off into a cup and had a doctor use the mixed jizz to impregnate a female friend. Nine months later the two queens were looking at their baby in the hospital nursery. All of the other babies were crying and screaming except for theirs. "Wow," said one turd burglar to his mate, "our baby is the most well-behaved child here."

A passing nurse overheard the conversation and sighed, "Yeah, he's quiet now, but wait till we take the pacifier out of his ass."

New Age Fuckers

In Los Angeles's upscale Bel-Air neighborhood lies an opulent house dubbed the Love Temple. A group of single men and women are spending their Saturday night at the Temple learning the basic techniques of Tantric lovemaking, the hottest new wrinkle in New Age fucking.

The scent of incense fills the air as bright-eyed seminar leader Robert Frey coaches the assembled acolytes into the Lotus Position, an ancient yogic posture in which the practitioner sits cross-legged, with each foot placed above the opposite knee.

Although everyone is fully clothed, the proceedings begin to resemble an orgy as the women—ranging from fresh-scrubbed college students sporting dolphin pendants to dried-out hippie crones on the wrong side of 60—climb onto their partners' laps and stare deeply into their eyes.

"Recognize the divine in your [partner]," exhorts the charismatic Frey. The couples rock back and forth as Frey urges his students to feel the energy flowing from their companions. Heavy breathing and panting drown out the background sitar music.

Meanwhile, spiritual seekers who are willing to shell out $300 donations are behind the closed doors of the Love Temple's numerous bedrooms, engaged in private massage sessions. These sessions are administered by a stable of stunning young "goddesses."

The 4,000-year-old sacred Sanskrit texts that give Tantric sex its name are a far cry from the New Age sex fad currently in vogue. The original Tantras

are a collection of wide-ranging, often contradictory, pre-Hindu philosophical writings encompassing everything from instructions for meditation to books of spells and black magic.

Only a small portion of the Tantras actually deal with sexuality, but the lascivious passages are the ones that have resonated the most with Westerners. In these texts, sexual union between man and woman is regarded as an essential component to enlightenment. The ultimate ecstasy is attained through the male delaying his ejaculation, thereby building and moving spiritual forces through the body's seven *chakras* (centers of spiritual energy), creating a shortcut out of the reincarnation loop and into Nirvana.

Aside from the studies of a few Victorian-era occultists and crackpots, Tantrism was all but unknown in the United States until the arrival of maverick guru Bhagwan Sri Rajneesh. Criticized in his native India for his controversial teachings, Rajneesh brought his fleet of Rolls-Royces to Oregon and founded a Tantric commune in 1981. His free-love teachings quickly drew a receptive audience among New Agers eager to pay cash to become enlightened, get laid or both.

Helped along by celebrity endorsements from Sting, Tom Hanks and Woody Harrelson, a simplified version of Tantric philosophy gained popularity in the U.S. throughout the '80s and '90s. Sometimes called "sacred sexuality," the Americanized version combines selected ideas from the original Indian texts with Kundalini yoga, Taoist sexual practices and pop psychology. The result is a highly marketable mixture of simple sexual techniques and New Age mumbo jumbo.

"Basically it's hot-tub Tantra," says Tantric therapist Robert Frey, who prefers a more spiritual focus, but nonetheless believes that any Tantra is better than no Tantra. "It is fairly superficial, and yet very valuable because people need sexual healing."

The booming Tantrism market is estimated to be worth more than $10 million annually. Tantric masters hawk seminars, books, videos and sexual devices that are basically sex toys repackaged as tools for spiritual enlightenment. The Web site Tantra.com offers one such sacred implement, a dildo named the Goddess Spot Stimulator, which, according to the site, is an "acrylic wand [that] has been specifically designed to easily reach and stimulate the Goddess Spot." Female Tantrism enthusiasts can also purchase the Crystal Vaginal Strengthening Egg in order to "please [her] partner through [her] muscle movement alone!"

The motivations of these Tantric merchants range from sincere interest in Eastern yoga to the all-American desire to separate a fool from his money. Serious seekers of spiritual

enlightenment, as well as common street hookers looking for a new gimmick to attract johns, proudly wave the Tantric banner.

The most successful of the pop-Tantra seminar leaders by far are Caroline and Charles Muir—a tanned, middle-aged Caucasian couple who look more like well-off suburban parents than wild-eyed prophets. The Muirs preside over an empire built mainly around group seminars on sexuality. "We teach people how to become master lovers," says Charles, who has taught various forms of yoga and Eastern spiritualism since the mid-1970s.

For nearly 15 years, Charles and Caroline have led more than 20,000 people through their weekend seminars in Hawaii and on the West Coast. The Muirs' students learn simple meditation techniques: circular breathing, relaxation and the movement of energy between *chakras*. Men learn how to delay their orgasms—sometimes for hours—and special attention is devoted to locating and pleasuring the women's sacred G spot.

"We're very explicit in our seminars," says Charles Muir. "For example, a normal man doesn't have a lot of skill when he touches inside the vagina of a lady; so I'll show him nine different strokes he can use on a woman's sacred spot, and he can take those nine strokes and make it into limitless variety."

The seminar's steep price tag ($650 per couple for the beginner's workshop) guarantees a well-heeled clientele and adds up to an awful lot of incense and patchouli for the Muirs. "There's nothing wrong with us making money," states Charles Muir. "We don't live in India, where the teachers are honored and ashrams are built for them to live in. This is America, and people value skills and are willing to pay for them."

"We're very explicit in our seminars," says Muir.

"I'll show a man nine different strokes he can use on a woman's sacred spot, and he can take those into limitless variety."

Hefty entrance fees notwithstanding, many attendees of the Muirs' seminars report dramatic improvements to both their sex lives and their relationships.

"Attending the Muirs' seminar was my wife's idea," says Michael Neil, a 66-year-old massage therapist. "She complained about our marriage not being as exciting and rewarding as she wanted it to be, and a friend of hers suggested the Muirs' seminar. It's made an incredible difference; now I know the joy that is available in just pleasuring my wife."

Denise Brady, a 31-year-old sound editor, agrees. "It was amazing. Before, my sex life was completely dull and uneventful. It would feel nice, but nothing really exciting. There was no depth. After the weekend, sex became a wonderful, incredible experience."

The physical techniques taught by the Muirs can result in a much-delayed orgasm for the man, as well as the coveted, ejaculatory G-spot orgasm for the woman.

"My wife's ejaculation is a part of just about every sexual encounter now," boasts Neil. "We have to go to bed with towels every night."

Scott Catamas (or "Blue Star," as he sometimes calls himself) is a different kind of Tantric businessman. The long-haired, middle-aged television producer is the founder of the Love Temple, which has become a community center of sorts for Southern California's New Age crowd, hosting world-music concerts, film screenings and classes in Eastern mysticism.

Catamas has launched the Web site Divinepleasure.com in hopes of spreading sacred sexuality to the masses, and to help pay the rent. Although the site has yet to turn a profit, Catamas is confident in his enterprise's money-making potential.

"Ideally, we want to be the *Playboy* of the next millennium," states Blue Star, holding court in the Temple's control room, surrounded by banks of VCRs and humming computers. "We want it to be a branding niche—instead of bunnies, we have goddesses; instead of centerfolds, we have empowered women; instead of a mansion, we have a temple."

Seekers of spiritual wisdom and horndogs who just want to ogle naked ladies will feel equally at home at Divinepleasure.com. The site provides provocative pictures of unclothed goddesses, a chat room, horoscopes and spy-cam views of nude yoga classes, sensual massage sessions and babes splashing around naked in the "dolphin room" hot tub. (In New Age circles, dolphins are believed to have healing powers.)

New Age Fuckers

(continued from page 98) the Web site to make money, the Love Temple is supported by the newest trend in American Tantrism: private massage sessions. For a $300 donation, the spiritual seeker, almost always a man, buys 90 minutes alone with the beautiful "goddess" of his choice.

The Love Temple turns to World Modeling, a San Fernando Valley XXX talent agency, to recruit goddesses to pose for the Web site and massage its clientele. Porn actress Kiki Daire moonlights at the Love Temple, calling herself Leilani, Goddess of Sexual Freedom. "I do nude yoga and *chakra* work on the Web site," reports the top-heavy star of *White-Trash Whore 19*. Daire also works as a mystical masseuse. "Goddesses go through very basic stuff with clients, like creative visualization and de-stressing techniques."

The Tantric goddesses who practice their craft from a set location, such as the Love Temple, are the exception. Most Tantric priestesses work freelance, advertising their services through word-of-mouth, on the Internet and in the back pages of weekly newspapers, much like traditional sex-service providers.

Even so, New Age harlots contend that the ministrations offered by a teacher skilled in the art of Tantrism differ significantly from a back-alley blowjob given by a hatchet-faced tramp. "I use massage, talking, imagery, hypnosis," says Monique, a Los Angeles-based Tantric sex educator. "I help people access deep stuff like guilt, fear and anxiety."

There is no set agenda for a session with a rent-by-the-hour priestess, but most encounters begin with a full-body massage. From there, the enlightened harlot may give her client hands-on tips for locating the "Goddess spot" and then move on to "lingam worship"—usually code for a slow handjob accompanied by offering instructions on how to move spiritual energy up and down the *chakras*. Tantric whores often teach customers techniques for withholding ejaculation or prolonging their sex acts (never past the paid-for time period, of course). Some Tantric escorts have intercourse with their clients.

"These women come from a perspective that's much more respectful than the average hooker," explains Dan.

"It's ritual for them, rather than just sex."

"These women come from a perspective that's much more respectful [than the average hooker]," explains Dan, who owns an insurance company in New York City and enjoys the company of New Age ladies of the evening. "During a session, they create a much more grounded and sacred space. They usually have an altar in their room and candles. It's ritual for them, rather than just sex."

Celestial prosties sometimes also perform acts that even hardened escorts might balk at, like the "male sacred spot" massage, a fancy New Age moniker for sticking a finger up the john's ass and fiddling with his prostate.

"The prostate massage is like a G-spot massage for men," explains Dan. "They'll insert their finger or some other thing up there for added pleasure."

New Age johns tend to regard Tantric sex with more reverence than run-of-the-mill hooker sex. "I want my sexual experiences to be on a deeper level than just paying to fuck someone I don't know," says Tony, a San Francisco Bay Area writer. "A regular escort is generally wham, bam, thank you, ma'am, whereas with a Tantric escort, something deeper is going on."

Tantric whores have a reputation for being softer-edged, more patient and more sensual than their street-hustling counterparts. "I think a lot of the men who come to see me are socially inept and have a poor self-image," says Dianna, a buxom blonde who has worked off and on at the Love Temple for the past six months. "They have trouble meeting women or they are people who don't have sex in their marriage."

"Water flows to its own level," says Charles Muir. "There are guys that are looking for a handjob, and they come to these Tantra prostitutes—many of whom have studied with us—and they give him more than a handjob. He'll get sexual relief, but he may end up crying as well. He may end up with some psychological healing."

The touchy-feely nature of a Tantric massage session can have unforeseen drawbacks as well as benefits. The kinder, gentler johns who dig Tantric hookers are often disappointed that the intimacy they felt during the session comes to an abrupt end when their hour is up.

New Age Fuckers

(continued from page 110) most healthy, I know I'm paying for the opportunity to explore my sexuality with someone, and have some human contact and intimacy without the commitment," explains Tony. "At my most unhealthy, I get completely confused and angry that I've had to pay for this thing that I should be getting for free. I leave feeling completely humiliated."

Marci Javril, a Tantric seminar leader and teacher, notes that many men form strong bonds with the women they pay for mystical nookie. "Psychologically, it's called 'transference' and 'cross transference,'" says Javril. "These are very dangerous and delicate areas that many people are not prepared to deal with."

This phenomenon is not exclusive to Tantric harlotry; men can have unhealthy obsessions with regular prostitutes, strippers or even their own girlfriends, but when spirituality is mixed into the equation, men's sexual hangups take on cosmic implications.

Another danger of spiritual hooker-hunting is common to all stripes of escorts—false advertising.

"I see more and more providers putting 'Tantric' in their ads that I know aren't Tantric," says Dan, the Tantric-prostitute connoisseur. "They're not doing what they are marketing."

Johns must also contend with the criminal nature of sacred prostitution. Pay-for-play priestesses are understandably cagey when asked about the specifics of their craft; while Tantrism may allow practitioners to break free from the monotony of reincarnation, it won't help them escape the long arm of the law.

"If one of these Tantric girls says 'no sex,' they pretty much mean Bill Clinton's definition of sex. I've never been to a Tantric escort who wouldn't have any sexual contact with a client."

"As much as I'd like to give a candid answer about what goes on in a session, I can't," says the usually very open Kiki Daire. "The sessions are very personal."

"We're not prostitutes," claims Blue Star. "We're not doing anything illegal."

"I've been told to be careful of what I say in print. Many of us in the community have not been careful enough," says Shara, a Tantric masseuse from San Diego, California. "The consequences have not been good."

According to the Decriminalize Prostitution Now Coalition, a vice cop in Phoenix, Arizona, arrested a Tantric massage therapist in 1998 for agreeing to perform a genital massage for pay. In 1996, an Edmonds, Washington-based hypnotherapist and Tantric guru was convicted of second-degree rape for having sex with his clients, and in the late 1980s, a priestess named Sabrina was arrested over the initiation rites of her ancient Egyptian religion. Hopeful converts paid through the nose to perform oral sex on the beautiful priestess. Sabrina's religious-freedom defense didn't impress the judge, who sentenced her for prostitution.

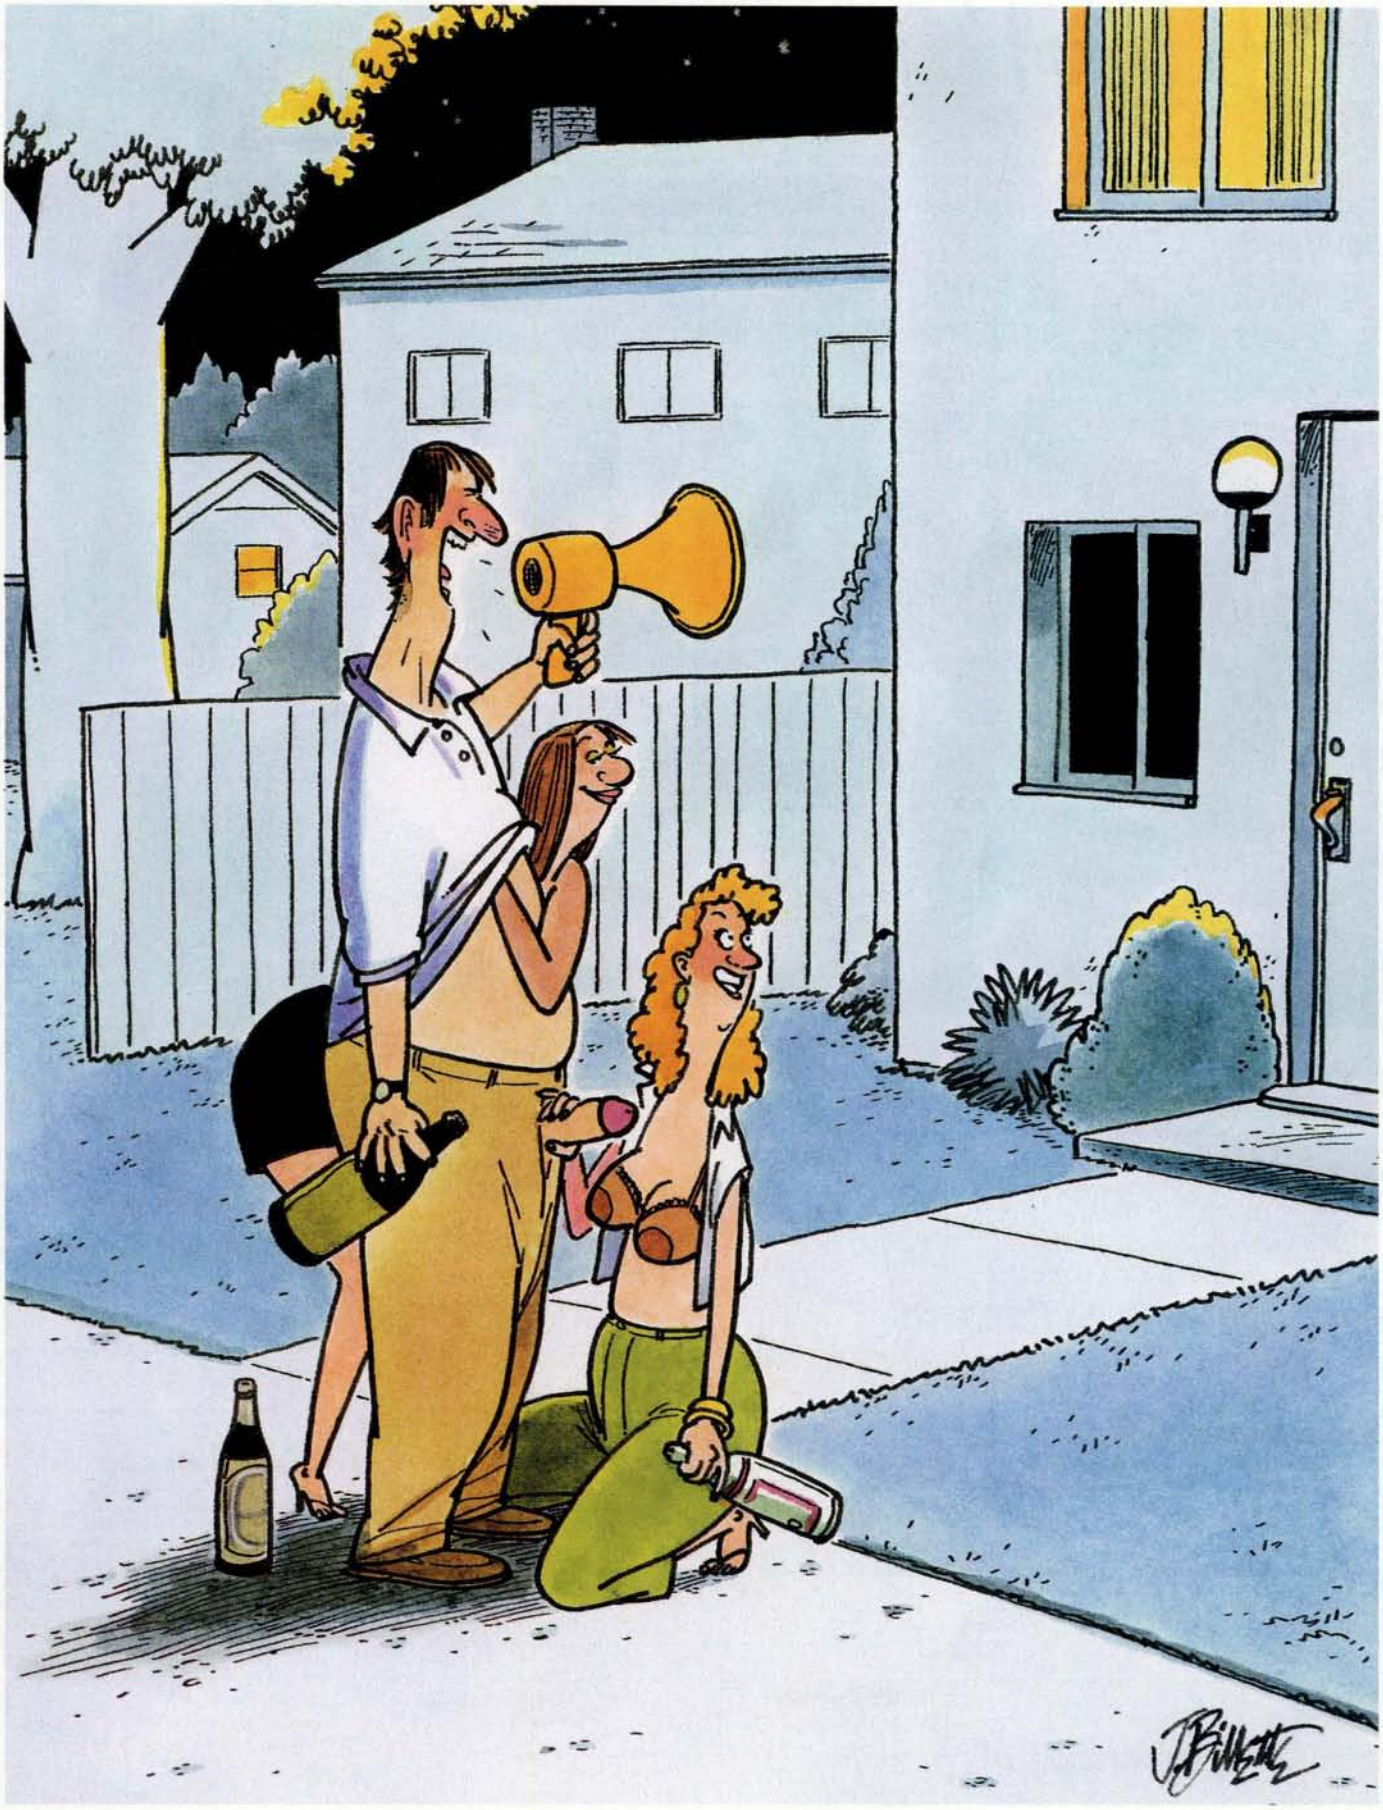
"It makes no difference to the vice department or the law whether they call themselves Tantric or not," states Edward Tabash, a defense attorney in Beverly Hills, California, who has represented more than a dozen spiritual escorts. "It doesn't matter whether they call the payment a donation either. Under the separation of Church and State, you're not supposed to give special privileges to people who claim a religious purpose to their conduct."

Prostitution laws vary from state to state, but almost all of them prohibit the exchange of money for any sexual contact. Whether the john is having his phallus yanked in order to align his *chakras* or to come all over his belly is irrelevant.

Because the gentlemen who frequent escorts (Tantric or otherwise) are arrested much less frequently than the ladies, men are more forthcoming when pressed for the details of their hobby. "If one of these Tantric girls says 'no sex,' they pretty much mean Bill Clinton's definition of sex: no intercourse," says Dan, the New York insurance company owner. "I've heard of them, but I've never been to a Tantric escort who wouldn't have any sexual contact with a client."

Whether it's spicing up the sex lives of middle-age white people, providing earnest inner-travelers with a new path to the divine or just giving working girls and johns a spiritual justification for the world's oldest transaction, Tantrism has become a prominent part of the sexual landscape. In any case, it reinforces a lesson that's at least as old as the ancient Sanskrit texts: If there's a buck to be made, someone will figure out how to make it.

"Jenkins, you could be an intern too if you followed the GOP party line like John here...."



"Hey, Gina, baby! Just stopped by to say thanks for divorcin' my ass!"

When she's not tending bar in Manhattan, New York, 29-year-old Samantha likes to read, work out, dance and ride horses. The brunette's wettest dream is "to bring a girl into my relationship."
—Photo by Fiance

Lucky Scottsdale, Arizona, residents have 23-year-old Christi as a neighbor. The exotic dancer is into tanning, snowboarding, racing and shopping, but longs "to have two guys at the same time."
—Photo by Friend

Tana waits tables in Atlanta, Georgia. Drawing and painting are the fair-skinned 22-year-old's main interests; she also enjoys playing the bass guitar. "Fucking a girl while my husband watches" is Tana's idea of the ultimate jam session.
—Photo by Husband

Christy, of Lake Tahoe, California, maintains her pubes just as she keeps her lawn: long and lush. The 23-year-old psych student apparently hates razors, but likes gymnastics, dancing, baking, hiking and other outdoor activities, particularly her fantasy of letting "two guys worship me on a tropical beach for hours." —Photo by Friend

Angela is an Internet model from Phoenix, Arizona. The 22-year-old Beaver enjoys dancing, home crafts, waterskiing and boating, but would love "to have over a million people looking at me naked." Where are we gonna find that many nudists? —Photo by Friend

Dagbjört is a 20-year-old horse trainer from Iceland. A fan of the equestrian arts, music, having fun and everything erotic, the Nordic princess dreams of videotaping "an orgy with one lucky guy and three beautiful girls." —Photo by Friend

Long-legged Tara, of Sacramento, California, is a 32-year-old exotic dancer who loves moving her body on stage and making dirty videos. The ambitious blond hoofer yearns to take part in "an all-girl orgy" and dreams of "becoming a porn star."

—Photo by Friend

A 28-year-old artist from Oakland, California, Justine enjoys restoring antique cars, playing darts and cooking. The tanned Beaver longs "to fuck a dozen guys and be covered in cum."

—Photo by Friend

Kali is a registered nurse from Detroit, Michigan. The 25-year-old blonde enjoys biking, reading and volunteering with the elderly. The sexy medic dreams of "a torrid affair with an older man." Strange, we've suddenly got a hankering for Meals on Wheels.

—Photo by Friend

Candy is a bartender from Schenectady, New York. The 38-year-old blonde loves motorcycle racing and sex, but dreams of "two men having their way with me." Barkeep, make the next one a double.

—Photo by Boyfriend

Glenda, 31, of Martinsville, Indiana, is a housewife who loves horseback riding, in-line skating, four-wheelers and just about any outdoor activity. The Beaver's quite reasonable fantasy is to have her "husband make long, slow love to me."

—Photo by Husband

Kendra, 20, of Kansas City, Missouri, is an exotic dancer who's working her way through college to become a certified nurse's assistant. The busty coed enjoys swimming and sucking cock, and wants to "have my first lesbian experience with an older girl and her boyfriend so they can teach me what I don't know yet."

—Photo by Friend

Stephani, of Myrtle Beach, South Carolina, is the best kind of kiss-ass. The 29-year-old entertainer digs weight lifting, in-line skating and adventures (sexual or otherwise), and yearns to have "a personal slave and other willing participants service me."
—Photo by Friend

Jessica, 21, of Bakersfield, California, is in touch with her orgasmic side. A college student who enjoys camping, working out and clubbing, the touchy-feely academic's fantasy is "to have a romantic evening with another couple."
—Photo by Friend

Shauna, 23, is a receptionist from Cleveland, Ohio. Fishing, camping and giving head to her fiance take up most of Shauna's free time, but she'd clear her busy schedule "to have sex on the beach under the moonlight."

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3: Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.

Week 4-8: Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.

Week 9+: Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

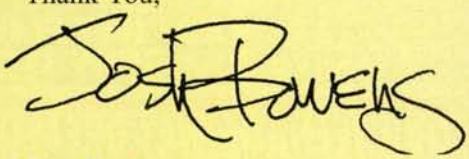
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Doctor Approved Pill Will Enlarge Your Penis!

PRO+PLUS Pills Will Work For You!
We Offer a 100% Money Back Guarantee!!

NO Pumps, No Hanging Weights, No Exercises & No Surgery!
PRO+PLUS Pills Will Enlarge Your Penis Up To 3 Inches.
No Prescription & You Will Have These Penis Gains In A Few Weeks.

I am a sex therapist and for over 25 years I have helped men with erectile dysfunction including penis size, impotency and premature ejaculation. I am offering a pill that has been called "a magic bullet" that eliminates all the effort and expense of trying to have a larger penis.

Just imagine how men will gasp with envy the first time they see the new you in a locker room, shower or gym. How about when your sex partner sees how thick and long and hard you are.

Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of 'going soft' and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues.

But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis.

Without any effort on your part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 3 inches in what has been described as a miracle.

You can make that miracle happen. You can have the penis size you always dreamed of with the PRO+PLUS PILL and I GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if you're not satisfied with an average or less than average size penis, I can help you. My pill will help you grow up to 3 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

WEEKS 1-4: In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections.

WEEKS 4-8: Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis will 'hang' longer and thicker.

WEEK 9+: When you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. It is possible for you to reach the most sensitive area of all, a woman's G spot.

These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS. We say you could stop taking the PRO+PLUS PILLS because it not necessary to be larger then 9 inches. Most women can only comfortably accommodate a 9 inch penis. Anything larger than that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

WHAT EXACTLY IS THE PRO+PLUS PILLS?

It is a powerful natural herbal penis enlargement formula that increases penis size, sexual health and stronger erections. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHAT WILL THE PRO+PILLS DO FOR ME?

- A longer ,thicker penis. Penis Enlargement up to 3 inches or 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms.
- Stop premature ejaculations.
- Permanently and safely enhance the size of your penis.
- The appearance of your penis will arouse your sex partner.
- Improve your sexual health, make you feel younger and you will have increased sexual desire, more stamina and greater sexual pleasure. You can take one PRO+PLUS PILL 2 times daily to keep the effects of PRO+PLUS PILLS in your system and to promote penis growth.

I bend forward, presenting my vagina for rear entry. Riddick forcefully pushes his erection deep into me, and I squeal like a stuck pig.

(continued from page 80) perhaps in one single, groundbreaking cataclysm that leaves society forever changed. I believe my goal is in sight.

I have built a device similar to a polygraph that can be inserted rectally to measure the effect of vaginal stimulation, and vice-versa. The components are mounted in a common household vibrator that I call Stephen Jay, for private reasons. During the copulatory phase of an experiment, I am able to monitor my own climaxes in response to sex with Riddick, my technician. His penis is nine inches long when flaccid; there are few other qualifications for his job. With a videotape of our session and a graph of Stephen Jay's readings, I am able to quantify each "little death" and evaluate the methods that prompt it.

Phase One: Riddick insists on inserting the device himself. I am embarrassed by the quantity of lubrication my clenched anus requires, but attribute it to the excitement of scientific inquiry, and the fact that Riddick labels me a "tight-assed white bitch," which does not help.

Once I have a firm rectal hold on Stephen Jay, I find the probe itself enjoyable. Riddick ducks under my lab coat and orally stimulates my clitoris. This has little amative effect; my assistant wishes to move on, but I insist we continue. I close my eyes and picture Riddick's purplish tongue swiping through my pale, freckled mons, and my labia begin to moisten. Thus encouraged, my partner redoubles his effort. I lean back against the lab counter and arch my genitalia into his face. My breath quickens, and I find myself spasming.

I instruct Riddick to continue, and he carries on with his apparently grudging ministrations until I have a more lingering climax. There is a common perception that black men dislike cunnilingus; study after study has concluded that this is a baseless rumor. Riddick's expression as he removes a red hair from between his teeth makes me reconsider.

Stephen Jay rates these first two orgasms, 1(a) and 1(b), as .42 and .58, respectively. I would have to concur.

Phase Two: My assistant suggests we establish a baseline for the experiment. I am impressed that Riddick shows an interest in solid scientific procedure.

On my knees, I nibble gingerly at his scrotum and grasp his tumescent member with both hands. My widened mouth travels the length of his shaft, until Riddick plunges the stiffened member between my lips and halfway down my throat. Data has shown that the erect Negroid penis is comparable to the Caucasoid; the myth of greater size is due to differences in the sponginess of erectile tissue that make black genitalia larger when flaccid, though unremarkable when engorged. Riddick proves himself a man of mythic proportion as I almost choke on his oversized, iron-hard cock. He withdraws as his testes contract to blast a large quantity of ejaculate into my eyes and hair.

We fail to create our baseline: The apparatus in my rectum registers a .05, instead of zero. If the measurement is reliable, orgasm 2 happened without my knowledge or encouragement.

Phase Three: Riddick has a remarkably brief refractory period; by the time I discard the moist towelette, he is hard again. I bend forward over a steel cabinet, presenting my vagina for rear entry. The dear assistant forcefully pushes his erection deep into me, and I squeal like a stuck pig.

I am well aware of my G spot; it was the subject of my postgraduate field study and doctoral thesis. As Riddick slams his equinely proportioned dong up my snatch, he tickles my clitoris with the index finger of one hand and grasps a ruddy teat with the other. The rhythmic friction compels me to emit female ejaculate all over Riddick's trousers.

Stephen Jay records a .86.

I have serious qualms about the validity of my results and urge laypeople to refrain from drawing hasty conclusions. Heisenberg's Uncertainty Principle states that measuring a subatomic particle's velocity renders its position unknowable; the pleasure I derive from parking Stephen Jay in my sphincters similarly skews my climax.

Regretfully, I must conclude that the intensity of an orgasm remains subjective, but I am nearer to a breakthrough with each passing day. In coming experiments I plan to replace Stephen Jay with a slightly smaller device, encased in a polymer that resembles human skin, down to its capacity for electric current. With Riddick's help, I expect to then obtain my first accurate arousal figures by factoring in the effect on sex of a finger up the ass.

Coming Next Month in HUSTLER

Warm Winter Muffs

December's HUSTLER keeps the chill out of boners with a flock of temperature-raising beauties. A chocolate sister rides her favorite hot rod in a pictorial that will give readers jungle fever. Everything comes up rosy for a giggly brunette who uses a buzzing joystick to tickle herself pink. A cowgirl in the sand breaks an untamed babe with her lasso and labes during some desert hijinks. A bouncy blonde opens her shit chute wide for her beau's massive blood sword. All this and more comes packed into HUSTLER's December issue with a guarantee to thaw readers' laps and leave them dripping.

Brawling in Brazil

Two men do their best to tear each other's faces off in a steel cage as rabid fans chant, "You're going to die, motherfucker! You're gonna die!" Inhumane? Probably. Exciting? Hell, yes. The ever-present danger of severe injury in no-holds-barred fighting led the sport to be banned from American arenas and airwaves. However, the anything-goes matches remain a thriving industry in other countries, particularly in extreme fighting's birthplace, Brazil. HUSTLER steps into the ring with the world's most dangerous bruisers as reporter Todd Hester and photographer Matti Klatt visit Brazil to document the history and spectacle of the world's most savage fighting championship.

Chicks Who Grow Dicks

About one in 100,000 women opt for sexual reassignment surgery, making the community of woman-to-man transsexuals much smaller than that of their male-to-female counterparts. In recent years, however, more gals who really, really want cock have been going public about their transformations. In December's *Sex Play*, correspondent Maurice Robinson chronicles the stories of ladies who undergo radical surgical procedures and intensive hormone therapy in a bid for a schlong to call their own.

Blue Blizzards

For degenerates on the go, December's issue provides a handy insider's guide to sex motels. *Bits & Pieces* battles the armed forces' *Army of One* campaign and emerges victorious. A dozen snow-job-free reviews from *Erotic Entertainment* ensure educated porn purchases. As always, an avalanche of amateur snizz falls on readers in *Beaver Hunt*. The winter wonder babes in HUSTLER's December issue will pop meat thermometers all through the coldest season.

December 2001 HUSTLER on sale September 18.
